Letter From The Editor

Ladies and Gentlemen, Engineers, newly minted alumni and every other member of the Lehigh community, it is my great pleasure to present to you the 2018 edition of Lehigh University's very own EPITOME! This is the 142nd installment in an unbroken line of books dating back to 1875, and as you can see we're still going strong. Our staff worked hard from the first hot, muggy day in August straight through June *(And even a little afterward)* to bring make this the best book possible. And speaking of the staff....

ANNIE HENRY '18 always brought photos and stories that might have otherwise been overlooked to our attention. She is entirely responsible for the Lehigh Moments project which you can see selections of on page 44-45.

SAM HENRY '20 came in "clutch" more times than I could count when photos were needed of an event, a group, a cute dog on the front lawn, or really anything at all. His photos are featured all over the events section.

BENJAMIN WANG '20 was our secret weapon; armed with a Canon and a large SD card, his shots of students made all of us look good, especially at graduation.

SEAN FEICK '18 artisanally hand crafted layouts throughout the book and tried to prevent me from attributing anything to him.

KATHY THRONE, Department Coordinator for the department of Journalism and Communication, collected (and often corrected) every single piece of information we collected from all of our mailers and portrait sessions and more.

LINDA LIPKO, Publications Coordinator in the department of Journalism and Communication, helped make this book possible at every step along the way, just like she has for the past 35 (!) editions. She has left her mark on this publication and all the others she has overseen that will be evident for years to come.

Though this year was much like all the rest, a new freshman class arrived, the snow fell and melted, and we seniors somehow made it to graduation, it was made special by everyone who was there through it all!

As the song says, "*Lehigh will shine tonight*" and I'm sure it will shine tomorrow as well, and the night after, and for countless more to come.

Sincerely,

Daniel Beadle

Class of 2018

Epitome Editor-in-Chief

P.S. For our readers in the far-flung future, "clutch" is a slang word defined something like "exactly what you need, exactly when you need it". In 2008 it was chosen by vote as the name for our mountain hawk mascot.

P.P.S. Epitome is pronounced "e-pit-uh-me" as in "This book epitomizes Lehigh". Don't let anyone tell you otherwise!

Move-In Day

Thursday, August 24th

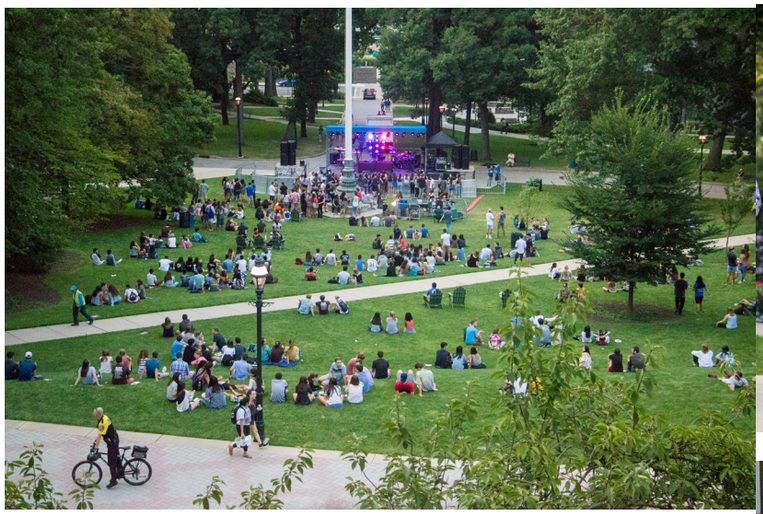
Beginning in the Summer of 2017, the Office of Residence Life commenced a process of creating a residential environment for students that would garner pride, community and unity within their residence halls. This included creating unique residence hall crests that embodied unique architectural elements from each residence hall.

Camp Lehigh BLACKBEAR

AUGUST 31ST, 2017

Join us on the Front Lawn Thursday, the 31st, as University Productions presents the annual Camp Lehigh Fall Kickoff, featuring Blackbear. This free event will have BBQ, a beer garden for 21+ students (please bring your Lehigh and state ID), games, and great music.

Photos by SAMUEL HENRY & DANIEL BEADLE



DACA March

SETEMBER 7TH, 2017

"WASHINGTON — President Trump on Tuesday ordered an end to the Obama-era program that shields young undocumented immigrants from deportation, calling it an "amnesty-first approach" and urging Congress to pass a replacement before he begins phasing out its protections in six months.

As early as March, officials said, some of the 800,000 young adults brought to the United States illegally as children who qualify for the program, Deferred Action for Childhood Arrivals, will become eligible for deportation. The five-year-old policy allows them to remain without fear of immediate removal from the country and gives them the right to work legally."

The New York Times 2017, Sept 5

On Sptember 7th, members of the Lehigh community gathered to march in support of their DACA peers.

The Great POCONO ESCAPE

SEPTEMBR 15TH - 17TH 2017

The Great Pocono Escape is an annual 3-day retreat at Camp Canadensis in the Poconos. The GPE provides an opportunity for organizations and student leaders to engage in annual student organization planning and goal setting, team development, and cross-organizational dialogue that inspires collaboration.

Photos by JULIUS WIBISONO

Camp HAWK

SEPTEMBER 15TH - 17TH 2017

At this two-day retreat, new students engage in classic camp games and participate in meaningful conversations. Students get the chance to build connections, discover what their current Lehigh experience is, and explore what it can become.

Student leaders, known as Camp Hawk Counselors, are responsible for leading activities and discussion. They also serve as a resource for students as they navigate their transition from home life to campus life at Lehigh.

Pumpkins & Power Tools

October 27th, 2017

Ever been frustrated with the limitations of a knife when carving your pumpkin? Come celebrate Halloween by harnessing the effect of power tools to let pulp and seeds fly! Come with creativity, leave with a beautiful carved jack-o-lantern!

GARBA

OCTOBER 21ST, 2017

The annual Garba event falls in or near Navratri, a Gujrati religious celebration. Don't know Garba or how to do Raas? That's okay - everyone is welcome to come learn. Partipants come dressed in traditional Indian outfits that include Saris, Chaniya Cholis and Kurtas. The night is full of colorful clothing, a lot of dancing, and good Indian food!

Students line up for free shirts outside of the President's House during the "Simon Says, It's Fall Y'All" event on November 13th, 2017

In the days leading up to the rivalry game students of both colleges hoist bedsheets with good-natured, but often oddly specific, banter.

Bed Races

November 15th, 2017

EcoFlame

NOVEMBER 17TH, 2017

Does burning a giant mark into the athlethic fields really help our football team achieve victory when they face off against Lafayette? Maybe not, but the bonfire sure does look pretty.

Marching 97 London Trip

In the summer of 2017 the Marching 97 was invited to perform in the 2018 London New Year's Parade as one of two college marching bands. That fall Lord Mayor of Westminster Catherine Longworth visited Lehigh and formally invited the group at a cermony held in the President's House.

A year later 102 students played "Pompeii" by Bastille and "Centerfold" by the J. Geils Band on the streets of London before performing "Marching Lehigh" in front of Westminster Palace. The band also put on a concert in Cadogan Hall, home of the royal Royal Philharmonic Orchestra performing "The Centennial Song" by Josepeh F. Godfrey '68, "LEHIGH" by Graham O. Jones, "Pride of the 97" by Richard Franko Goldman, "Fanfare: Salute to Lehigh University" by Sir Arthur Bliss, Master of the Queen's Music, and an original piece by Director Darin Lewis "That a Nation Might Live", among others.

Other highlights of the trip included President Simon jumping over the barrier to march the parade route with the band, the first international psyche run through Parliament Square Garden, and viewing the Changing of the Guard from inside of the Wellington Barracks.

This trip would not have been possible without the hard work of Manager ROBERT HILLMAN '17 and Director AL NEUMEYER who worked incredibly hard to get support from all over the university to make this trip a reality.

Spring has SPRUNG!

APRIL 13TH, 2018

Technically this wasn't an event, but the weather was amazing! There were dogs on the STEPS lawn, countless hammocks in the trees, and swimming in the Chandler Ullmann fountain! How could we not include April 13th?

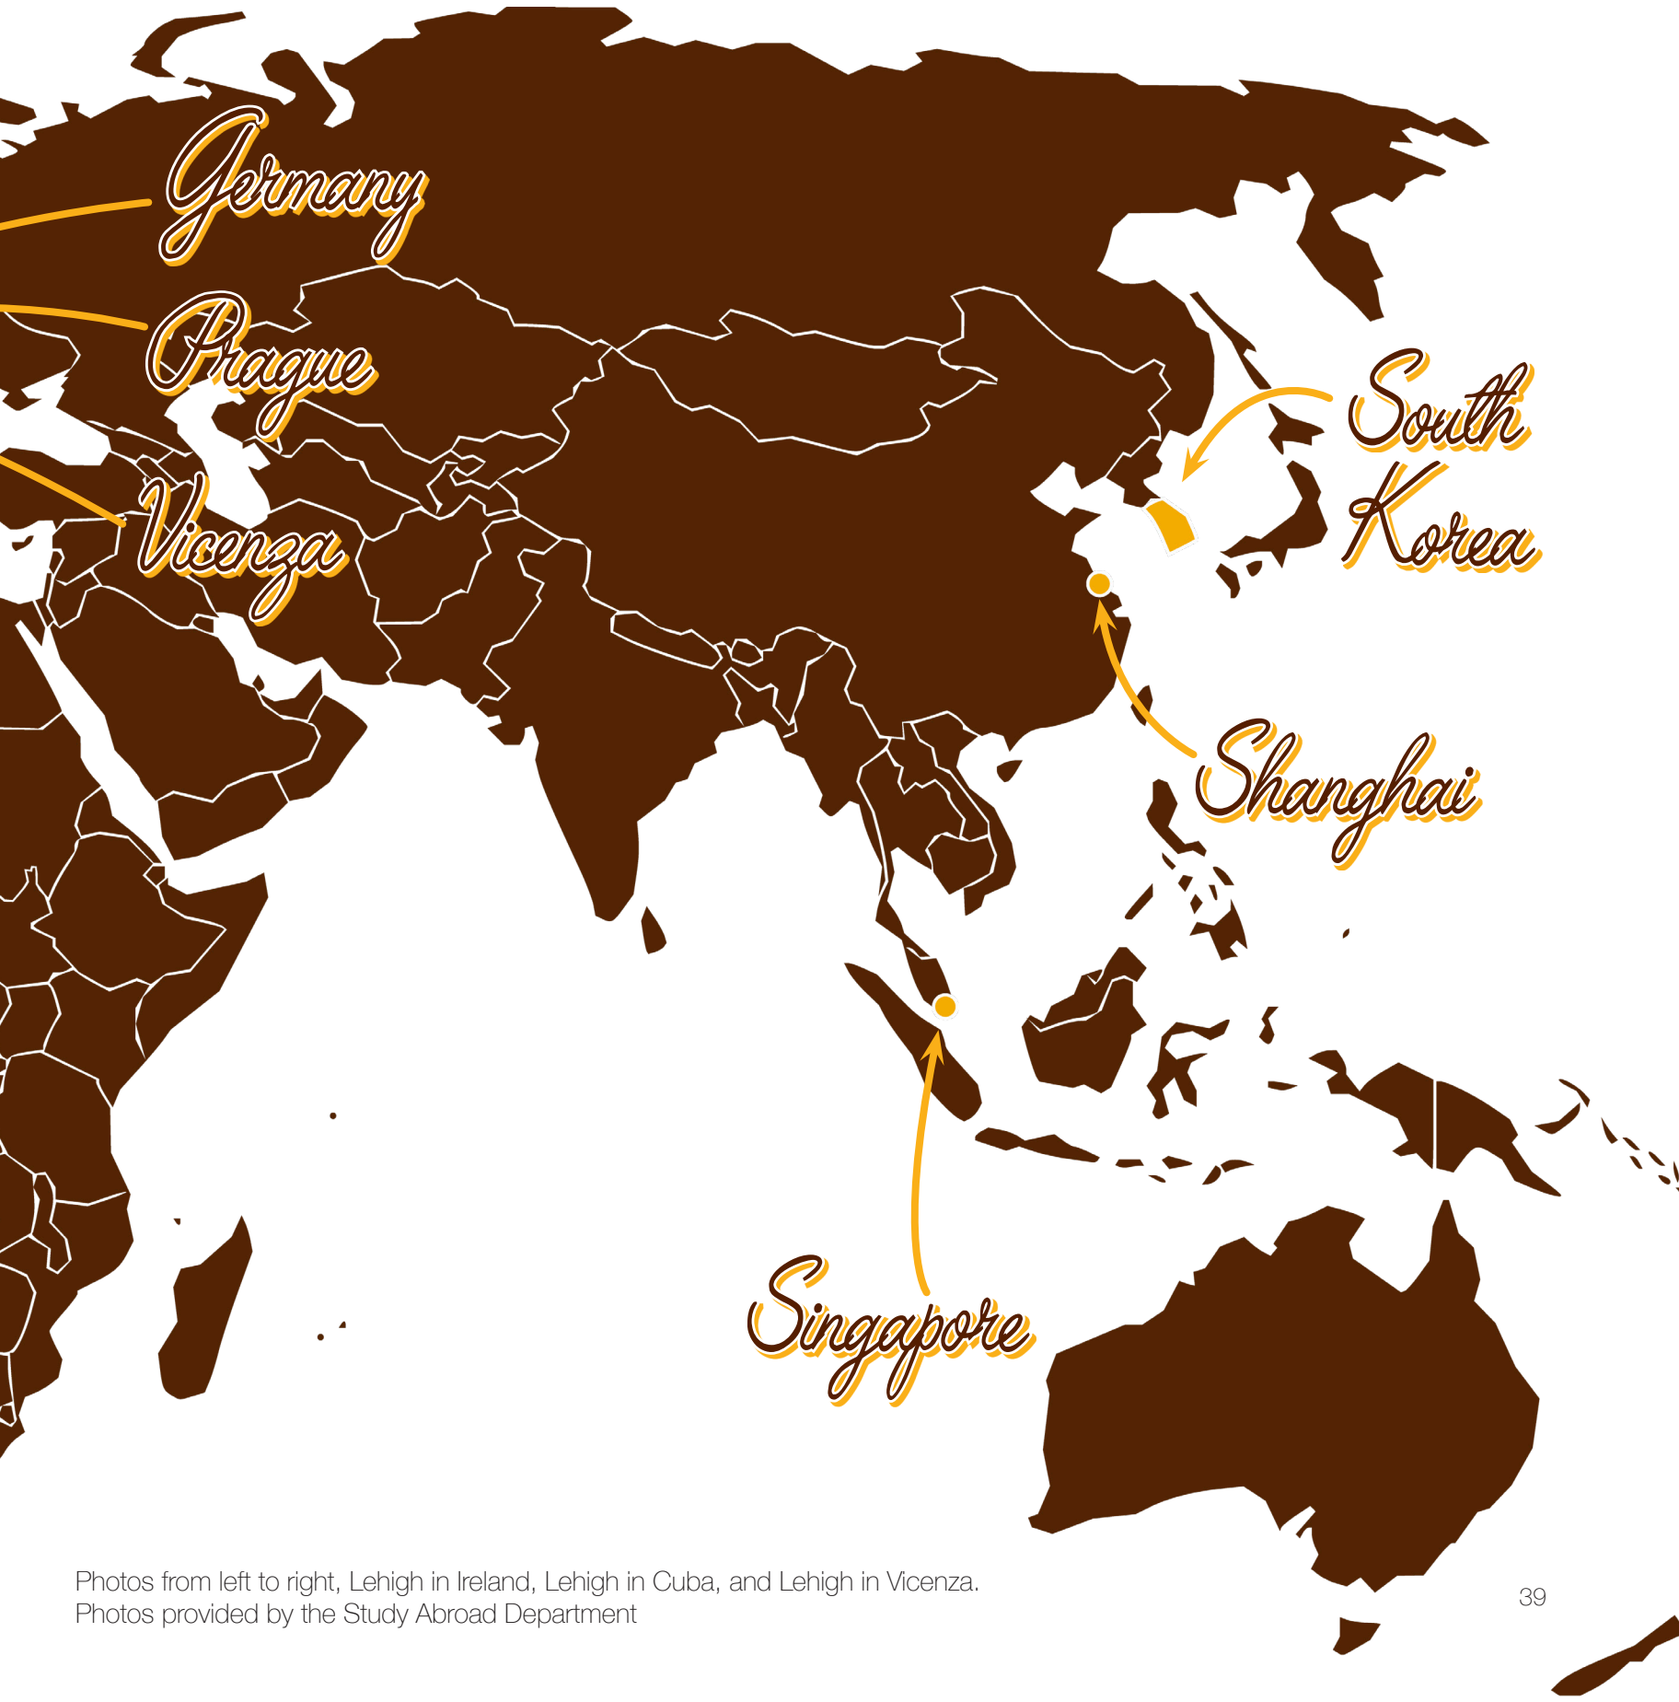
Students Seeking Solutions for the SDGs

The inaugural Students Seeking Solutions for the SDGs Conference sponsored by Lehigh University, the American Association of University Women, the United Nations Academic Impact, the United Nations Environment Programme, and the Royal Academy of Sciences International Trust took place at United Nations Headquarters on Friday, April 20, 2018. This conference, conceived and designed by Lehigh students for students around the globe, aims to connect undergraduate scientists with the UN's initiatives, the Sustainable Development Goals (SDGs). Undergraduates from around the world presented their solutions to SDG6 - Clean Water and Sanitation. Additionally, experts in the field of clean water shared their experience in the implementation and innovation of scientific ideas.

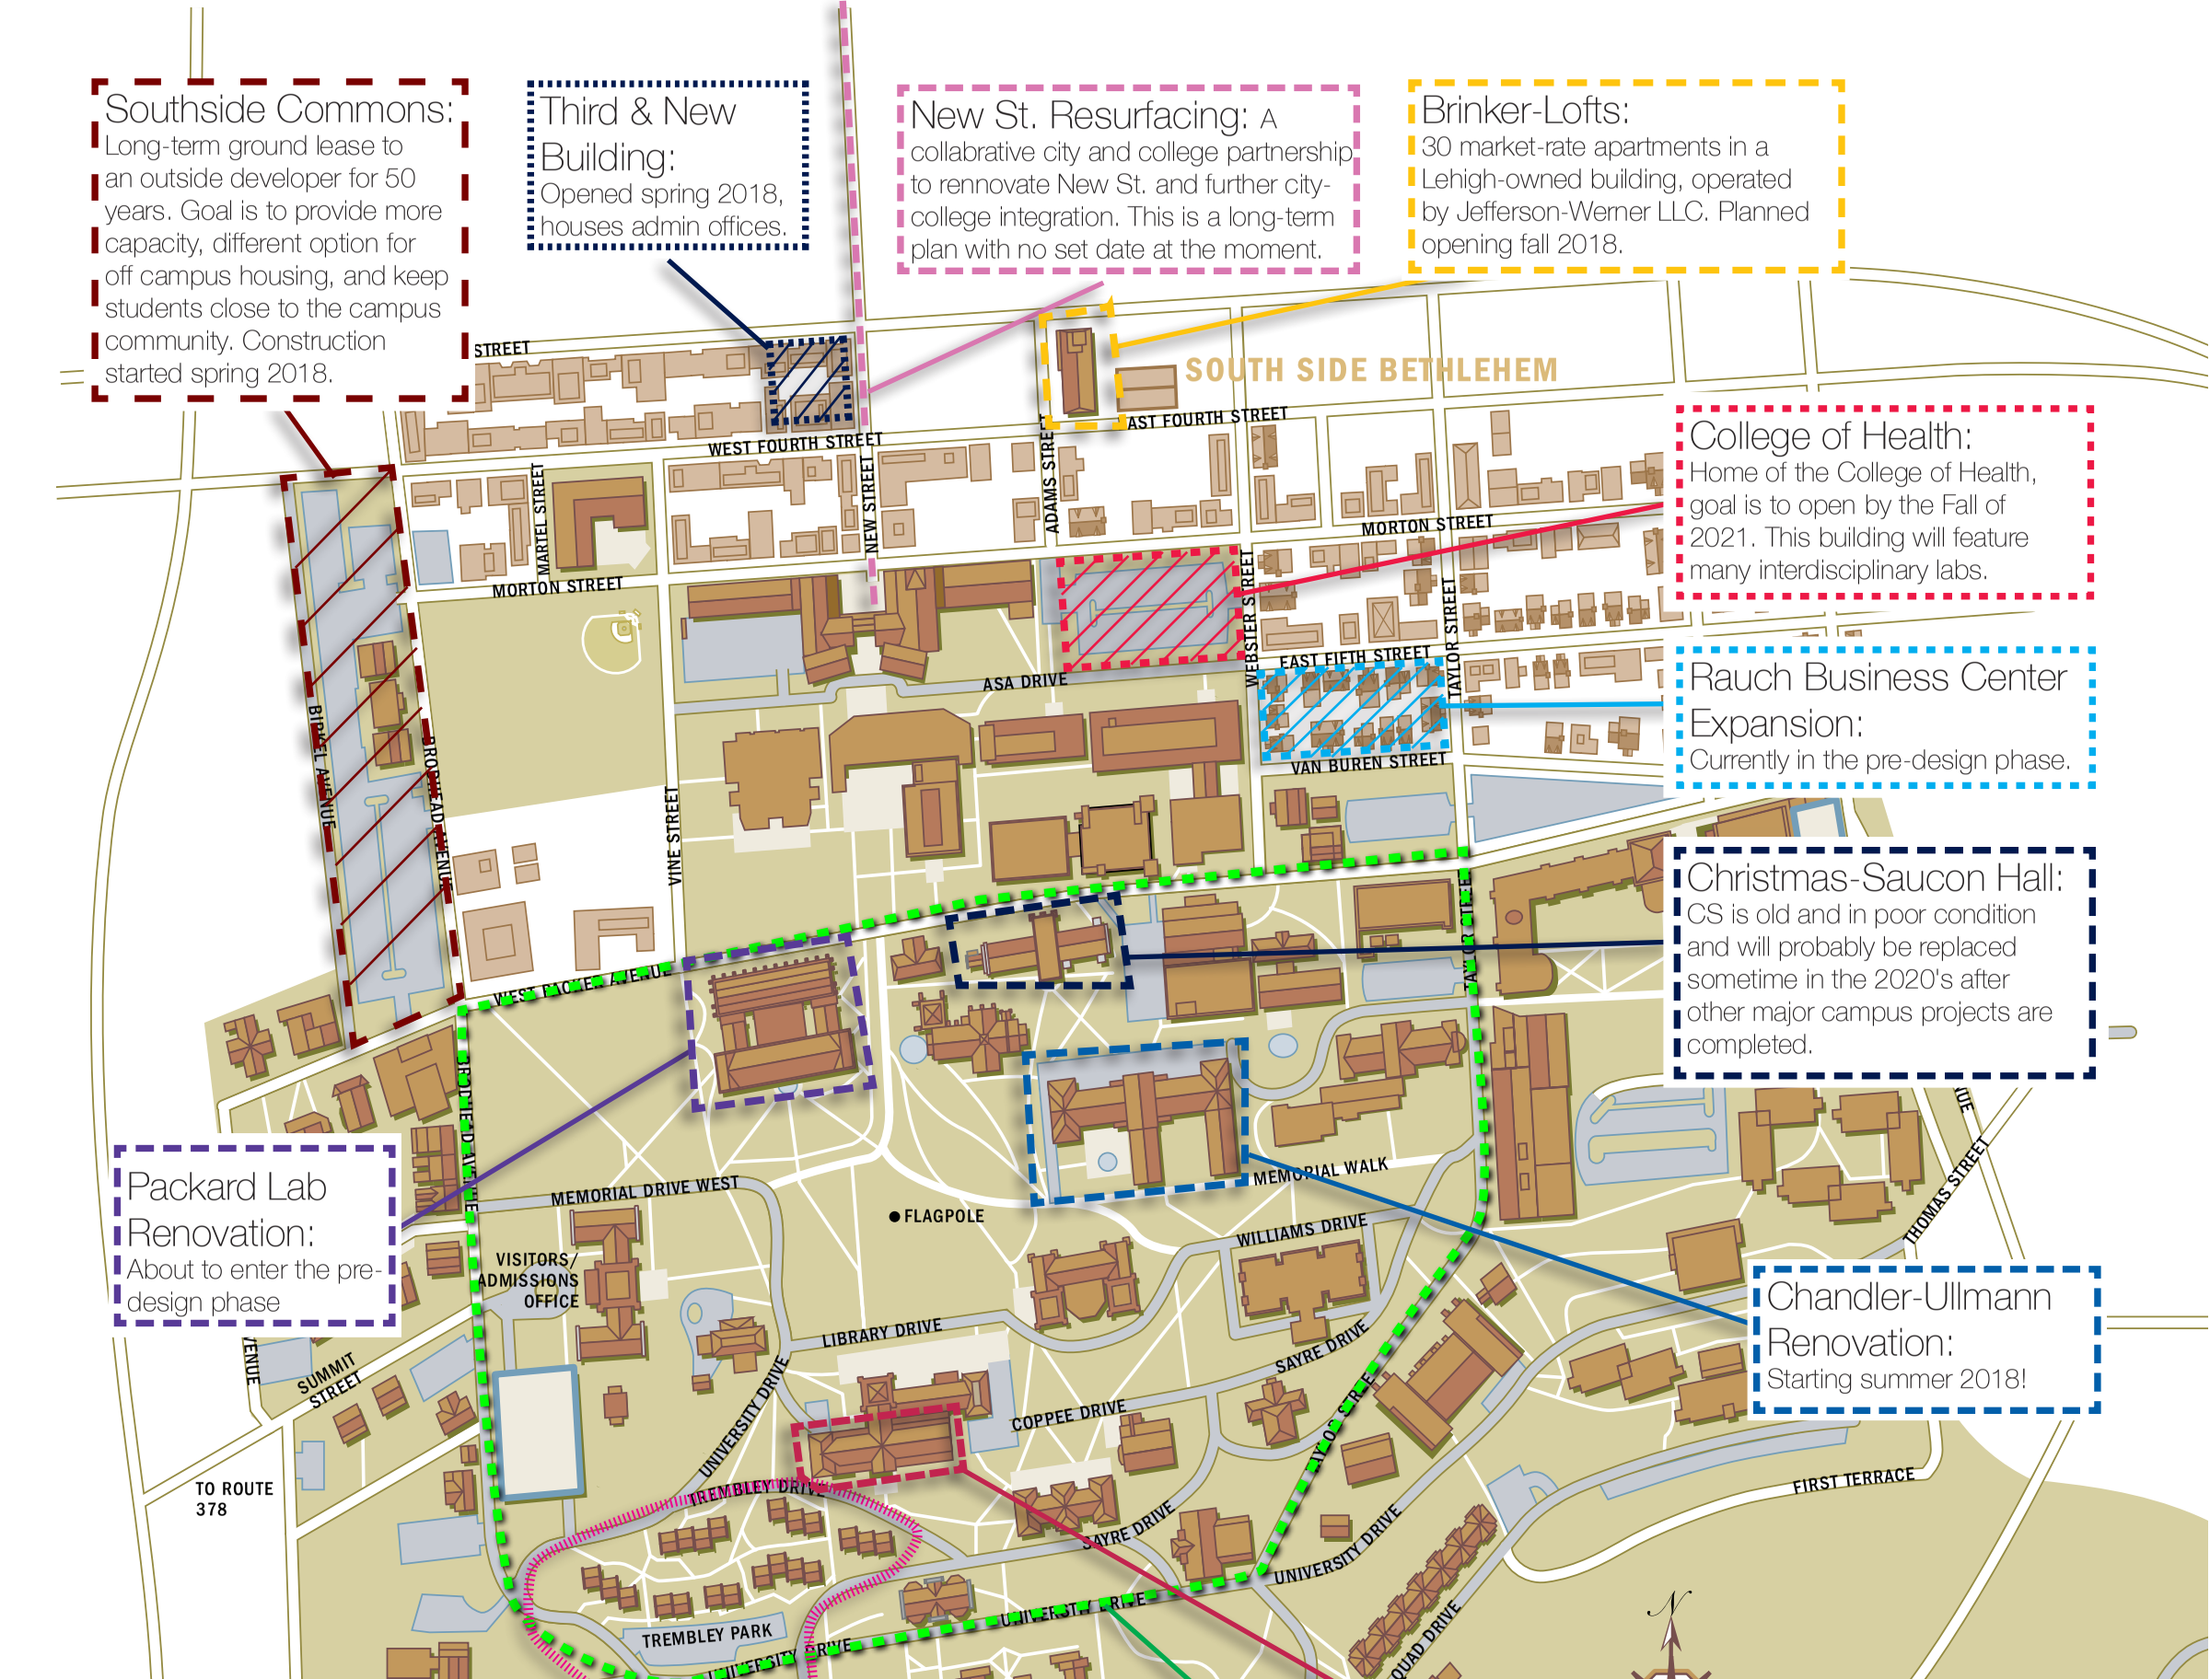
Conference Organizer Veronica McKinny '18
Co-Organizer Jordan Davis '20
Co-Organizer Victoria McCulley '19
Co-Organizer Sarita Mizin
Co-Organizer Jessica Williams
Technical Director Chris Harvey
Logistics Director Taynah Oliveira
Advisers - Dr. Bill Hunter, Dr. Jenny Hyest

Study Abroad 2017-18

In the summer and winter of 2017 two hundred and eighty-eight students earned Lehigh credit in thirteen study abroad trips!



Photos from left to right, Lehigh in Ireland, Lehigh in Cuba, and Lehigh in Vicenza.
Photos provided by the Study Abroad Department



Southside Commons:
Long-term ground lease to an outside developer for 50 years. Goal is to provide more capacity, different option for off campus housing, and keep students close to the campus community. Construction started spring 2018.
Third & New Building:
Opened spring 2018, houses admin offices.
New St. Resurfacing: A collabrative city and college partnership to rennovate New St. and further city-college integration. This is a long-term plan with no set date at the moment.
Brinker-Lofts:
30 market-rate apartments in a Lehigh-owned building, operated by Jefferson-Werner LLC. Planned opening fall 2018.
College of Health:
Home of the College of Health, goal is to open by the Fall of 2021. This building will feature many interdisciplinary labs.
Rauch Business Center Expansion:
Currently in the pre-design phase.
Christmas-Saucon Hall:
CS is old and in poor condition and will probably be replaced sometime in the 2020's after other major campus projects are completed.
Packard Lab Renovation:
About to enter the pre-design phase
Chandler-Ullmann Renovation:
Starting summer 2018!

Bridge West Dorm:

Replacing House #82 and Trembly, planned opening in two parts, fall 2020 and spring 2021

University Center:

The 1958 addition is deteriorating, plans are currently being made to renovate the original 1868 building. This would keep the north facade the same and open up the south side to residential part of campus.

Car-Free Zone:

A long-term goal is to eliminate all vehicles from the center of campus except for buses.

Changes on CAMPUS

Mountaintop Building C:

Rennovation completed and the building opened in Spring of 2018! Now houses the Computer Science Department and programs assocaited with Lehigh's Creative Inquiry initiative.

Long-Term Goals for Campus:

1. Enhanced mass transit between the campuses in the forms of sidewalks and bike paths
2. Expanded partnership with the Bethlehem city and community

Stages of a University Project:

1. Pre-Design: Fact finding and requirement gathering stage. Asks the following questions: Where? How Big? What? Cost? What does this look like generally? No approval by the board of trustees is needed for this stage.

2. Design: Formal design of the project, tries to formalize the pre-design questions. Projects costing more than $5 million need board approval for this stage.

3. Construction: The actual construction of the project!

The board of trustees recieves regular reports through the Campus Planning and Operations Committee

MARTINDALE
2017 STUDENT ASSOCIATE PROGRAM

Martindale Student Associates 2017-18
(back, left to right) David Ebhomielen; Veronica McKinny; Lindsay Wilson; David Morency; Katherine Wu; Tristan Heffler; Gustavo Grinsteins;
(front, left to right) Logan Herr; Courtney Lenzo; Nadine Elsayed; Mina Khan; Ian Davis

Each year, the Martindale Student Associates Honors Program selects twelve juniors from across all three of Lehigh's undergraduate colleges for induction as Martindale Student Associates. During the 14-month program, the students conduct individual research and write professional quality academic papers pertaining to the economy and society of a foreign nation for publication in our undergraduate research journal, Perspectives on Business and Economics.

This year's country of focus was the United Kingdom. Students were prepared for their task through a series of on-campus classes featuring guest speakers, including local faculty and representatives from the New York City Consulate and Trade Commission of the country of study. The group went to Washington, D.C., for briefings at the U.K. Embassy, the U.S. Department of State, and other relevant organizations.

Highlights of this year's trip to the United Kingdom included meeting with Mike Russell (a Member of the Scottish Parliament for the Scottish National Party and a Member of the European Parliament), the politician responsible for negotiating Scotland's place in Europe moving forward through BREXIT. In London they had the opportunity to attend a series of Google technology talks organized by Martindale alumni who live and work there, and participated in the Alumni Association's "Lehigh in London" event.

Looking forward, in 2018 the Martindale Program will travel to Malaysia with twelve new student associates.

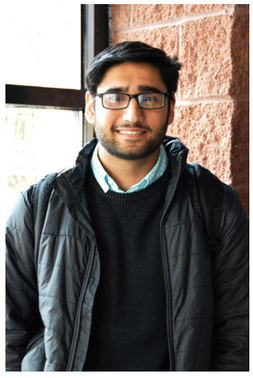
Cindy Phuong '18
Finance and Economics
Aldan, PA

"My favorite Lehigh Moment is the night that I had my first solo acoustic guitar and vocal performance. All my friends came to support me, and we had such a fun time. It was that night that I realized my love for performing and the love, support and loyalty from my friends. I'm going to really miss Lehigh!"

Komel Merchant '18
Computer Engineering
Warrington, PA

"My most memorable moment was my first Le-Laf game where I saw Alumni from everywhere come and see the game. It made me realize that the Lehigh community exists even outside the city of Bethlehem."



Samantha Smith '18
Environmental Studies and Marketing
Moon Township, PA

"My moment: Walking around campus my freshman year on a beautiful fall day. I just had that 'this is home' moment and I smiled and walked away with confidence."

Theresa Colonna '18
Civil Engineering
Islip, NY

"One of the greatest Lehigh moments I can remember was the day we took a trip to the Goethals Bridge Construction site. Not only did we get to experience first hand some of the on-going processes, we also got a perfect view of the NYC skyline. Being with my civil engineering peers that day was an experience I will never forget."

Becca Hilderbrand '18
Electrical Engineering
Orefield, PA

"My defining moment at Lehigh was the day I declared my major. My dad was also an electrical engineer so he was really proud and I feel like it has made us even closer as we have attended many conference and dinners regarding IEEE!"

Madison Uram '18
Finance and Chemistry - *Hamilton, NJ*

"The past four years here at Lehigh have been the best years of my life. Though it is difficult to pick just one memory, my favorite Lehigh moment was walking to the star after finals freshman year and staying up all night to watch the sunrise with my friends Mel and Hannah. We walked all the way to the lookout without realizing the sun doesn't rise in North Bethlehem. So we didn't see the sunrise, but it was a moment I will always remember."

Mike Lessel '18
Mechanical Engineering
Macungie, PA

"Recently I went to the driving range in Bethlehem for the first time this year. There was one other person there, an older gentleman, who was just finishing his bucket of balls. I soon realized I had gotten a bigger bucket than I needed for myself, so I approached him and offered him half of mine. He accepted and we struck up conversation. When I told him I was searching for a job in mechanical engineering, he replied, "My best friend is a mechanical engineer too: the CEO of Caterpillar." I am interviewing with Caterpillar next week. Sometimes, the best moments are made on the golf course."

Julia Washburn '18
Political Science
Summit, NJ

"The moment that will always define my Lehigh experience is not necessarily a 'moment,' but a collection of car rides over the mountain to Goodman Campus. For my 4 years at Lehigh, that was always a constant, but also a marker of change. Every season, the car would be filled with new team members, from my very first carpool with Zoey, Caitlin, Jackie & Laura, to my last with Jackie, Jenna, Lenke & Maddie. On the way home from 6ams, they were always filled with music, laughter and support. As a freshman, I always looked forward to our car rides to and from practice because Zoey would always impart wisdom and comfort on us whenever we knew practice was going to be hard. I took a lot of pride in being able to do that for underclassmen as I grew older. I'll never forget the euphoric feeling of arriving back over the mountain on a warm day with the windows down, music blastic and my best friends beside me. To me, that is Lehigh."

LEHIGH MOMENTS

Our lives are made up of moments. Moments of clarity, heartache, inspiration, triumph, impact. The thing about these moments is that they ultimately shape our lives. College is a time to explore, create and realize who we want to be.

From the moment that you are sitting alone in your dorm, grossly unaware of what the next four years have in store, to the moment you get handed your diploma and you see your mom smiling in the crowd as you walk across the graduation stage, and everything inbetween.

When we are asked to think about moments, we initially remember the “big things.” You know the ones that probably made it onto your instagram.

But our time here is made up of so much more than “big things.” There’s the daily small moments, often times, seemingly ordinary memories, where we didn’t realize how important it actually was. Moments that in a split second, something changes. Saying yes or no. Loving or hating. Saying hi or walking away.

Each of our Lehigh experiences were so much more than sorority letters, a championship ring or acalculated GPA. Every student at this university will walk away with a different experience, shaped by the people they connected with, the opportunities they seized and the choices they made.

Nobody knows from the start how exactly their four years will turn out and the thing about moments like these is that you don’t realize how much they really affected you until you look back and think, “Wow, am I lucky that happened.”

So, I want to know: What were the moments of impact that defined each of us—one moment of impact at Lehigh that shifted our path far beyond what we ever could have imagined, predicted or controlled.

This project was an attempt to capture these moments in words. Printed here are a selection of interviews with the class of 2018.

Stories collected by ANNIE HENRY.

SEASON: 5 - 13 CONF: 2 - 4

The 2017 season was another year of successful growth for the Mountain Hawks. In Coach Caitlin Dallmeyer's second season, the team finished 5-13, however much of the success came outside of their wins and losses. In the end, the program reached five wins for a second straight season for the first time in 10 years. Additionally, they allowed only an average of 14.1 shots per game, the fewest since 2007, resulting in six games with one or fewer goals.

The Mountain Hawks started off the season with a 1-0 victory over LIU Brooklyn, the second consecutive year that the team opened with a win. Although the next few games were tough for the Mountain Hawks, they still were able to outshoot opponents and control possession, preparing them for improved performance later in the season.

In the second half of the season, Lehigh picked up three victories, including a 3-2 Senior Day win over Georgetown along with a 1-0 win at a Colgate. The Mountain Hawk's proudest achievement of the 2017 season was their 1-0 shut out over Lafayette. After a scoreless regulation-time game, the Mountain Hawks were able to score in overtime in order to secure the win over the Leopards for the first time in 13 years. With help from that win, Lehigh also finished the year ahead of Lafayette in the Patriot League standings for the first time since 2007.

Beyond any of the statistics, the successes for the Mountain Hawks this year were validation that Coach Dallmeyer's championship culture is making an impact. The team is working hard in the offseason and excited to begin an even better 2018 season.

The 30th Student Senate

Student Senate Board Members

(Left to right)
Parliamentarian Zachary Vinik '20
Vice President Lindsay Wilson '18
President Matt Rothberg '18
Secretary Tori Campbell '20
Treasurer Christian Doms '19

Lehigh's Student Senate is a body of students who act as representatives in voicing the concerns of the undergraduate community at Lehigh University.

The Senate consists of 55 members from all areas of the university community. The seats are divided up proportionally to best represent the undergraduate population by affiliation and living groups.

The Senate is divided into a number of different sub-groups. There are three standing committees: Student Outreach, Allocations, and Club Affairs. In the beginning of each academic year, the full Senate also recognizes temporary committees with specific goals called Campus Life Improvement Promotions committees (CLIP). The nature of these committees changes every year to deal with the changing climate and concerns at Lehigh. This year there were four CLIP committees: Bethlehem Outreach, Campus Unity, Facilities & Transportation, and Safety.

Senate also occasionally creates ad-hoc committees to deal with temporary issues as they arise throughout the year.

Student Senate Members (Grouped by constituency, in no particular order):
Athlethics: Allison Connors, Charlie Williams, and Mike Gibbons
Sorority: Maddie Braman, Sarah dePillis, Ginger Gerhold, Carolyn Lovvoll, Alyssa Maier, Dixie Miller, Liz Nebens, Sasha Rubman, Aislinn Strohecker, Lillie Zakin
Fraternity: Evan Chansky, Bohan Chen, Jake Epstein, Greg Girolamo, Gordon Gorab, Jonathan Levin, Jason Wasserman
On Campus: Jasper Chumba, Seanna Corr, Roshan Giyanani, Alana Hill, Yousef (Joey) Kawash, Grace Lin, Marilyn Ngyuen, Suleng Tao, Katie Teitelbaum, Nic Thomson, Ana Vargas, Quincy Zou
Off Campus: Sophie Bysiewicz, Annie Henry, Juan Shiraishi, Shawn Yin
First Year: Reagan Sullivan, Dean Astarita, Tara Chaisson, Sophia Closter, Andrew Fedun, Jacquelyn Gage, Eylon Liani, Sarah Mascioli, Marley O'Neil, Julia Pardee, Meghan Reynolds, Adam Samit, Nova Stoller, Alex Torres, Jeff Yoon

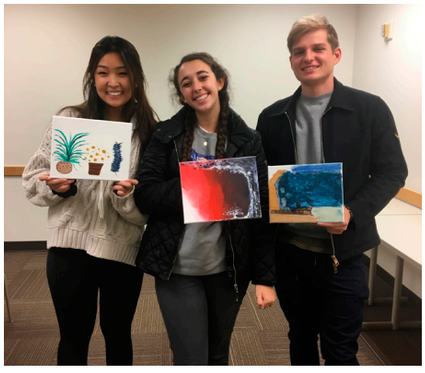
Since 1894 The Brown and White has published a semiweekly paper. This year, we've reported on sexual assault, community policing and other issues facing both the Lehigh and South Bethlehem communities. Our reporters and editors have received university, state and national recognition for their work.

Through working together, we've shared many late nights, meals and memories, including legal eyes/legalize/legal lies, Bonn Thursdays, Emily's conspiracy theories and war with Foodgōd, three ttsssnake, and too many parking tickets. Shoutout to our biggest fans AC, RD, BH, SM and JG.

"I mean, it's not like anyone is reading this anyway."

Art, Architecture, & Design

AADC is a place where students can let their creative side run wild and get away from the stresses of schoolwork and exams. This year, we had many different hands-on activities such as tie-dyeing and pumpkin painting, but we also went to visit private art galleries and held monthly gatherings at the Banana Factory located near Lehigh University. It was a great opportunity to connect with students of artistic and creative passion, and it showed how art really brings people together.



AADC Board Members
President Yeana Kim
Vice President Angel Rollo
Secretary Rachel Case
Treasurer Konka Shi
Event Coordinator Dario Sabidussi
VP of Marketing Abbey Goldenberg

College Democrats

Our goal as a club is to promote political awareness and encourage intellectual discussions and debates about current issues. We focus on the challenges our country faces and how the Democratic Party platform addreswvwses those issues. To promote political awareness, we make efforts to register all students to vote, both partisan and non-partisan. We also do what we can to support the Democratic Party's candidates from the local to national campaigns.We welcome everyone who wants to explore more about politics and connect with politically active students.

President Emma Stevenson
VP Rishi Gummakonda
Treasurer Victoria Ricles
Secretary Katie Wexler
Programming Chair Cynthia Gatua
Advisors Robin and Warren Heydenberk

Alpha Omega Epsilon

Alpha Omega Epsilon is a professional and social sorority that promotes women in engineering and technical sciences. Officially a member of the Professional Fraternal Association, sisters in A.O.E. work to better themselves professionally and academically while also cherishing the support and friendship of other hard-working women. Annual events include a semi-formal Date Party, an overnight Formal in the spring semester, and two retreats.

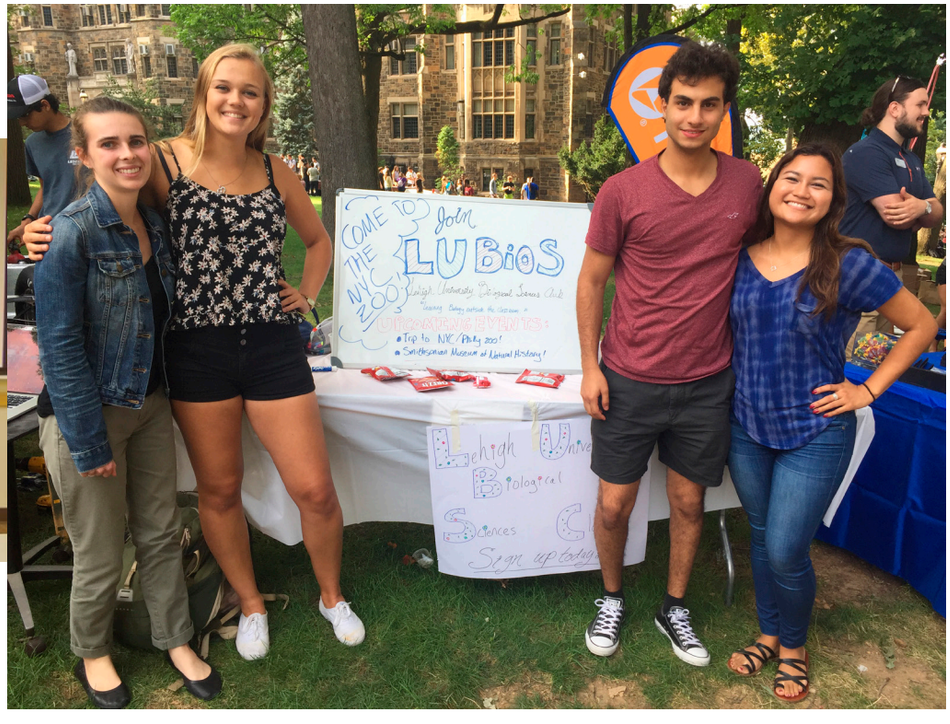
In addition, A.O.E. offers a range of Professional, Academic, and Sisterhood Events, as well as Social Events with other organizations on campus. In an attempt to spread the word about our organization, the Outreach Chair was added as a position this year. We have since hosted events with the Center for Gender Equity and helped to run an event hosted by Lehigh After Dark. Our Chapter is recently getting more involved with our sorority's philanthropy, FIRST Robotics, and we also hosted activities at both Relay for Life and Spooktacular.

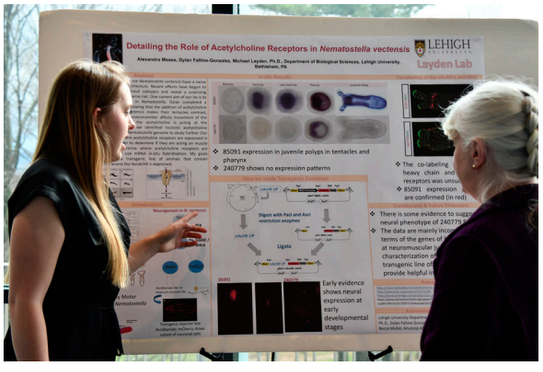
President Casey Urban
Vice President Angelika Wyzlic
Secretary Hannah Lambert
Treasurer Lara Reid
Membership Educator Jen Boecker
Faculty Advisor Lori Herz, Professor of Bioengineering

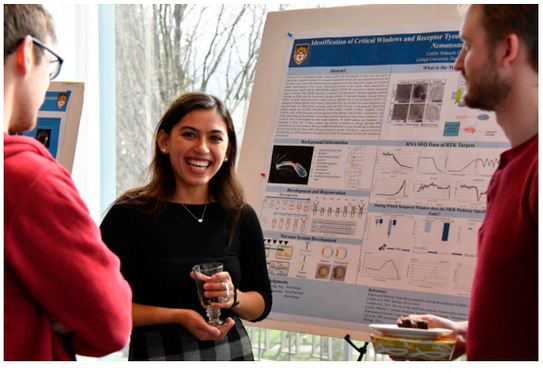
BIOS Undergraduate Organization

President Alissa Balke
Vice President Giovanni Zlaket

Secretary Ally Godinez
Treasurer Julia Nelson







ACM

The Programming Club is the Lehigh Chapter of the Association of Computing Machinery. Located on campus, we are an organization that connects people who are passionate about technology and programming. We help students learn new skills and assist in building resumes through projects completed outside of class. We are open to students of all majors and all levels of programming skill.

During the 2017-18 academic year we hosted LUApps, a development competition in which teams of Lehigh students showed off their web/mobile app projects and competed for various prizes including Amazon gift cards and a Google Home Mini. At LUApps, students also had the opportunity to showcase their technological and soft skills to a board of judges form Lehigh and various local technology companies. This provided a wonderful opportunity to network.

Throughout the year we held many technical and professional workshops including a highly successfull series on Machine Learning. Other topics included how to build a personal website and proper usage of Git for version control. We also held events with Google and Cisco where Lehigh students could network with professionals and learn new skills while receiving lots of free swag.

On Wednesdays, the Programming Club hosted Happy Coding Hour. This gave students a space to meet and work together on their CS projects.

President Sami Nguyen
Vice President / Marketing Chair Andy Weng
Community Chair Simon Yang
Education Chair Ben Quan
Treasurer Adam Knuckey

ASA

ASA works to create and enhance traditions that promote alumni involvement, campus unity, school spirit, and giving back to Lehigh. The organization aims to provide current students with a positive Lehigh experience so that they will stay connected, engaged, and involved after graduation.

ASA works closely with the Office of Development and Alumni Relations to connect current students to the larger Lehigh family. We strive to provide alumni with opportunities to stay connected to their alma mater by fostering strong bonds that enrich the experiences of current students.

We continue to establish and uphold traditions while instilling and perpetuating an atmosphere of excitement and pride within the Lehigh community. We also believe active involvement in our surrounding neighborhoods, on the part of students, is essential in shaping the community leaders of today and tomorrow.

President Bea Maloney '19
Director of Communications Gill Gude '19
Director of Administration Vanessa Pedraza '20
Spirit and Traditions Chair Tara Sabharwal '18
Alumni Engagement Chair Ankit Shingala '20
Student Philanthropy Chair Sam Scaccia '18

Staff Advisor:
Caitlin Saunders, Associate Director, Student Engagement

Best BUDDIES

Best Buddies is an international organization that provides an opportunity for college students and persons with intellectual or developmental disabilities to interact and become friends. The Lehigh Best Buddies chapter intends to make a positive impact in the lives of people with and without IDD in the area. This academic year Lehigh Best Buddies celebrated friendship at their annual Buddy Bash, Halloween party, Thanksgiving and Xmas dinner, Valentine's Day event, in addition to unforgettable one-on-one outings.

President Cristina Baquerizo
Vice-President Cecilia Alfaro
Treasurer and VP of Fundraising Wyatt Golledge
VPs of Event-Planning Lauren Hamp & Michael Brodsky
Secretary & VP of Campus Relations Mariangelica Vargas
Photographer Michelle Oteiza
Staff advisor Carolina Hernandez, Assistant Dean & Director CSO

Belly DANCE

Belly Dance is a club at Lehigh University that provides students with the opportunity to learn belly dancing through peer instruction, to participate in performances open to the community, and to discover the rich culture from which belly dancing originates. This club is for anyone who likes to dance, regardless of gender or skill level. Belly dance promotes confidence and empowerment in its performers and its audiences. Each semester, we perform at 2-3 multicultural and performing arts events, which include Fusion, Dance Fest, International Bazaar, and Spec-Spec.

President / Captain Natalie Seifert '18
Vice President Bethany Crosby '19
Secretary Stephanie Pugh '19
Treasurer Kinga Kuczynski '20

Social Chair Sarah Garberg '18
Club Liaison Zhane Jackson '18
Fundraising Chair Gabriela Vinson '18
Choreography Chair Katelyn Barr '18

American Society of Civil Engineers

The American Society of Civil Engineers (ASCE) organizes civil engineering-related community service events, events where civil engineering students can see the application of classroom-taught theory in the real world, and social events where students can interact with faculty and area professionals.

Pictured are club members at our National Workshop for Student Chapter Leaders Conference and a club picture with participants of our weekly soccer game.

ASCE
AMERICAN SOCIETY OF CIVIL ENGINEERS

Break The SILENCE

Break the Silence Peer Educators seek to prevent gender violence on campus through healthy sexuality education. BTS is a student-run peer education organization whose mission is to spread awareness about gender violence including sexual assault, intimate partner abuse, stalking, and sexual harassment and to prevent gender violence through healthy sexuality education. BTS works to achieve this mission through: extensive and ongoing training; offering programs about gender violence, healthy sexuality, and related topics including but not limited to healthy relationships, bystander intervention, and rape culture; providing initial support and resources to those affected by gender violence; and challenging the culture that perpetuates gender violence at Lehigh and elsewhere.

Staff Advisor Dr. Brooke DeSipio

Business Information SYSTEMS

Business Information Systems Club provides BIS students with opportunities to meet and network with local IT professionals to learn more about current IS topics and trends. The club also host activities such as invited talks, field trips, and mock interviews. Students meet informally with each other and their professors, exchanging ideas on current IS issues and seeking advice on careers, job hunting, IS future, and many other topics.

President Emma Resnick
Vice President Ada Tao
Secretary Peter DeCew
Treasurer Farren Leung

Programming Esther Pak

Faculty Advisor
Professor Chitra Nayar

College REPUBLICANS

College Republicans is the largest club on campus for students that hold conservative values. We are dedicated to informing and engaging our members with regard to current events, policy, and politics. At a time in this country when politics has become extremely partisan, getting students involved in the political discourse of this country is of paramount importance. College Republicans held many events throughout the year including the monthly debates with the College Democrats, visits from candidates running for Congress, and a club trip to a local gun range.

Co-Presidents Matt O'Brien and Kevin Crow
Vice President Aaron Adams
Treasurer Ryan Judge
Secretary Troy Egar
Faculty Advisor Professor Gunter

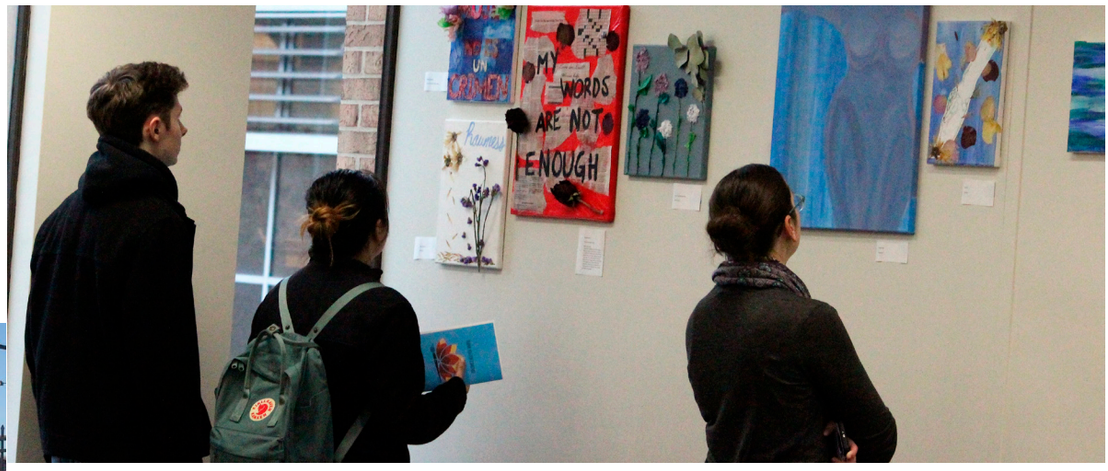
Center for Gender Equity

The Center for Gender Equity seeks to create a campus culture where all students, faculty, and staff can achieve their personal and professional goals. In addition to creating open dialogues around masculinity, we also build awareness around topics that disproportionately affect women- and female-identified people.

With approximately 30 undergraduate and graduate student staff, supported by three full-time staff and a GA, we have accomplished a great deal this year by focusing on collaboration through inclusive relationships.

Major programs this year include Gender in a Global Context, Be Your Own Artivism project, Ending the Wage Gap awareness weeks, and Love Your Body Day.

Director Rita M. Jones



November 13th, 2017: A small petting zoo is brought to the front lawn to help students destress by petting soft fuzzy animals.

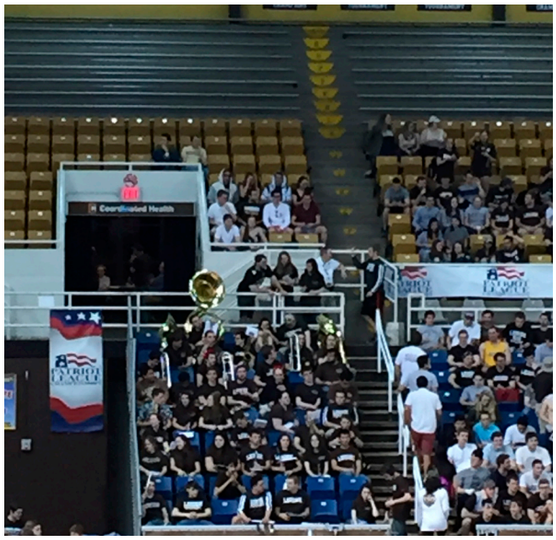
Clutch's Crew

Clutch's Crew is Lehigh's official student-run student section. Working with University Athlethics and clubs throughout campus we promote attendance at sports games! This year we successfully increased attendance at events other than football.

President Jay Glucksman
Vice-President Evan Jaffa
Treasurer Anil Morisetti
Faculty Advisor Rich Haas



Colleges Against Cancer

Colleges Against Cancer is a club dedicated to eliminating cancer by working to raise awareness. We implement programs and help implement the mission of the American Cancer Society. On campus we help educate the Lehigh Community on preventative measures individuals can take advantage of to decrease the risk of cacer through events like Holy Guacamole and Pushing Out Pancreatic Cancer. Our academic year culminates with the Relay For Life, a twelve-hour event in the spring to raise money and awareness for the ACS. This year we raised approximately $110,000, surpassing our goal by over $12,000.

Executive team led by co-presidents
Jasmine Turnbull & Chandler Coggins
Faculty Advisors David Joseph, Mary Kay Baker
American Cancer Society Liaison Mark Stankiewicz

Computer Science & Business Assn.

The Computer Science and Business Association is responsible for representing the CSB program to companies, families, and prospective students as well as organizaing social events for members and holding workshops to give CSB students a professional and academic edge.

President Jordan Cutler
Vice President Sarah Botwinick
Secretary Gen Nickerson
Treasurer Nicole Weber
Director of Professional Development Matt Kawa
Director of Public Relations Gregory Cheng
Social Coordinator Nikhita Shankar
Director of Alumni Relations Komal Grover

Engineers Without Borders

The Lehigh Chapter of Engineers Without Borders is a club dedicated to assisting communities around the globe by taking members' skills and applying them to various projects, from constructing bridges to implementing water distribution systems. EWB also provides various local outreach programs on campus and in Bethlehem, such as the Latin Carnival which won the 2017-2018 Student Life Award! In addition, the club won a ASChE Grant this year to continue the work it does.

Mark Orrs

Lehigh Fintech Group

Established in 2017, LFT is a student-run organization that serves to drive passion and promote understanding for disruptive financial technology ("FinTech") by connecting top-performing and interested students with businesses and institutions that host a forward-thinking approach to the implementation of technology in the financial services sector.

LFT achieves its mission through team projects, education seminars, hackathons, and a variety of networking conferences tuned to cater those with keen interest in the FinTech industry.

President Dean Zimberg
Vice President Cyrus Johannes
Director of Operations Lindsay Slavit
Director of Finance Akhil Patil
Director of Technology Deep Sheth
Director of Marketing Ankit Shingala
Faculty Advisor Dr. Todd Watkins

GLOBAL Union

The main mission of the Global Union is to "Bring the world to Lehigh". This year, we co-hosted numerous culture nights, including African American Culture Night, and the nations of Costa Rica, Armenia, Cambodia, Ethiopia, Nepal, Pakistan, Russia, and Venezuela.

We held the annual International Week from Nov 9th to Nov 18th. It was also our first time ever to combine the international flag parade with the Marching 97 to kick off the Lehigh-Lafayette football game. We also hosted a four-part series in the spring called "Discover Asia", encompassing the areas of history, religions, business practices, and culture.

Lehigh Gymnastics is a co-ed club sport for people who want the opportunity to do gymnastics a few hours every week. It is open to various skill and experience levels. There are professional coaches at Parkettes National Gymnastics Training Center, where we hold practices. Gymnastics club is a great outlet for people who want to take a break from studying and bounce around the gym or for people who want to continue participating in the sport they love.

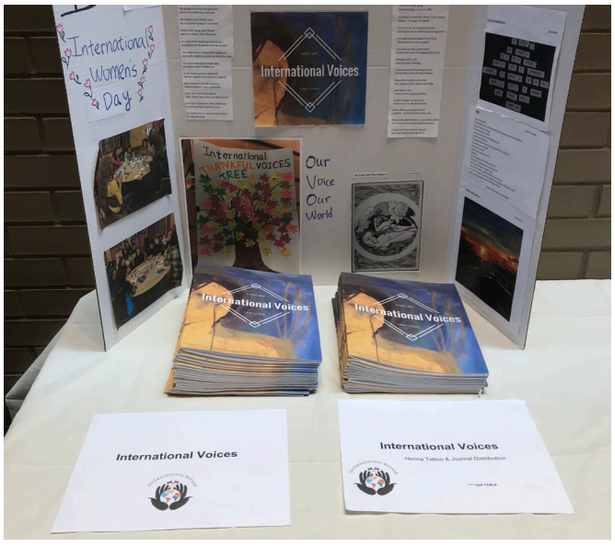
Gymnastics

Hellenic Club

The Hellenic club's main purpose is to unite the Greek community of Lehigh University and to promote more involvement in the Greek culture and heritage.

Officers:
President Ilias-Petros Larsinos
Vice President Kimon Deligiannis
Treasurer Ileana Exaras
Secretary Athanasia Qirjollari
Secretary Sara Zhang
Faculty Advisor Jacob Kazakia

International VOICES



International Voices (formerly FONI) is the only international literary journal to date at Lehigh University. The club is built on the premise embodied in the name: to be the conglomerate voice of the diversified cultures and nationalities that Lehigh is privileged to host and house. While the "Voice" is for pragmatic reasons, limited to literary and visual creativity, the heart of the voice shall suffer no further restraints beyond the limits of well accepted standards of decency and political correctness.

We aim to publish any student or scholarly work that reflects the depth of diverse multi-national experience and cognition. Written and artistic creative work shall both be featured. Introspective work that elevates or challenges the individual is as welcome as more society-based, outwardly focused work since, both in their varying capacities paint a portrait of the human psyche, a phenomenon which transcends geographic and cultural boundaries. International Voices is the voice of that transcendent psyche at Lehigh University.

President Winni Wei
Vice President Winnie Gu
Secretary Hailey Cai
Treasurer Angel Fang

Chief Editor Taja Jackson
Chief Designer Lauren Dodgen
Faculty Advisor Teresa Cusumano
Faculty Advisor Teranda Donatto

Helius Dance

Helius is a multicultural dance team at Lehigh University, working to combine Hip-hop, Breaking, Poppin, Jazz, Urban, and K-pop. Founded in 2015, Helius has created a lot of stage dance performances, dance covers, concept trailers, etc. During 2018, Helius won the 1st place of Spec Spec (Lehigh's biggest talent show). Helius would love to keep on dancing and to provide the audience with the best performance continuously.

ISE Student Council

Sophomores	Jacob Beyloune & Xiaming Jin
Juniors	Connor Schiff & Jack Scott
Seniors	Meghan Bacik, Grace Butler, & Elisabeth Oglevee
Master's	Roger Blumin, Yilun Chen, Xiandong Peng, & Kamal Kishore Ramiah
Ph.D.	Suresh Bolusani & Secil Sozuer
Faculty & Staff	Department Chair Ted Ralphs, Associate Chair George Wilson, and ISE Student Council Leader & Communications Specialist, Abby Barlok.

The ISE Student Council is made up of students elected by their peers to represent their significant program, class, and department. ISE Student Council Members volunteer for events, provide feedback, and offer suggestions that can help improve the ISE Department as a whole.

Indian Students Assn.

The Indian Students Association is a diverse multi-cultural club. We pride ourselves on bringing many aspects of Indian culture to Lehigh's campus, and being a group for students of color to call their Lehigh family. We create a community of students by holding many campus-wide events each year including Garba, the Diwali Show, Yoga Remix, and Holi, and weekly club meetings.

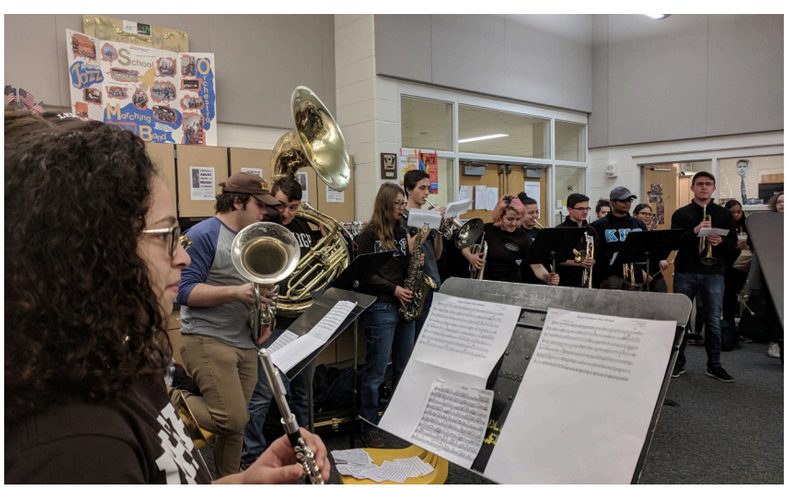
Kappa Kappa Psi *Kappa Gamma*



Kappa Kappa Psi is a National Honorary Fraternity for college and university band members. Since our founding at Lehigh in 1995 we have helped promote Lehigh University bands and assisted them with worthwhile service projects that benefit both the bands and Lehigh musicians. Kappa Gamma provides service for the bands through events such as the Marching 97 shoe clean and instrument testing. In addition, we also put on Food for Bands, an event where we feed musicians after rehearsals!

This year, our chapter hosted Central Precincts at Lehigh.Chapters from Pennslyvania, New Jersey, and West Virginia were represented and members attended workshops to help each chapter improve and learn more about KKPsi. Additionally, Kappa Gamma was recognized for our service efforts by receiving the Music Education Awareness Awards at Districts. This prestigious award is only given to one chapter from the Northeast District.

At Lehigh, Kappa Gamma our event, Acoustics in April, which is held on the front lawn of the University Center (in April) and is an opportunity for small ensembles and bands to perform for the Lehigh community. Kappa Gamma looks forward to serving bands and the Lehigh community for years to come!

Latino Student ALLIANCE

The Latino Student Alliance's mission is to help promote the education of many different Latino/Hispanic cultures. We strive to teach more about our traditions and thoughts. We want to make an inclusive space for everyone so that the many different communities on Lehigh's campus can come together.

President Fredy Ramirez
Vice-President Jessica Batista
VP of Community Service Giovanni Vargas
Secretary Angelica Bernal Torres
Treasurer Marcos Lozano Mendez
Public Relations Brianna Dominguez
Global Union Jamal Connelly
Faculty Advisor Marilisa Jimenez

Latin DANCE

The Latin Dance Team is an organization that learns different dance styles, implements them in social scenes and shows them off during campus-wide events. Events we have participated in during 2017 to 2018 include Fusion, Dancefest 9, International Bazaar, and Spec Spec.

We teach some of the more popular styles such as Bachata, Merengue, Salsa and Reggaton, as well as learning new ones like Vallenato, Samba, Forro, and more. We are a very close community and love to hang out both inside and outside of practice. We host many club events to allow our members to bond, including socials, BBQ's, an annual Secret Santa Christmas party, and a formal.

LEHIGH Consulting GROUP

The mission of the Lehigh Consulting group is to serve the undergraduate community by providing real-world business skills. Focusing on leadership and analytics, this goal is achieved by professional speakers, and a core group of programs held for students interested in a career in consulting.

Held in the fall of 2017, the successful Consulting Summit '17 resulted in the Inaugural Fall LCG summit which was a broad-based event of approximately 150 students, faculty, alumni and professionals. This experience provided an exposure to students of both large and small companies, by providing informational consulting panelist sessions from both IBM and PwC. In addition, consulting panelist sessions were held that encompassed experiences for networking and communication skills. Jennifer L. Mann, a Lehigh Alumna, spoke about her professional experiences as founder and president of her own consulting firm.

President Shawn Silverman
Vice President Dean Zimberg
Director of Finance Jon Kleinhenz
Director of outreach Abbhi Sekar
Director of Operations Kareem Eleskandarani
Director of Marketing Daniel Grumbles
Faculty Advisor Professor James Brennan

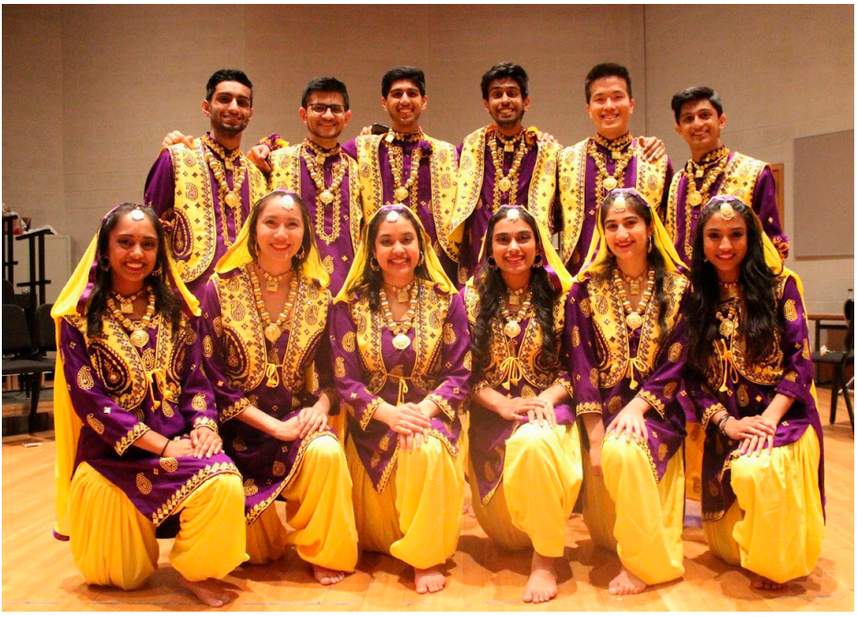
In the spring of 2018, the Analyst Program became a new portion of the Lehigh Consulting Group with more opportunities to interact with alumni and recruiters. This provided additional interaction with firms. Applications were provided and approximately 30 highly-qualified students secured consulting projects with local businesses. Students actively pursued recruiters and alumni of Ey, PwC, Deloitte and KPMG. As a result, two successful events were held with Deloitte and EY to discuss consulting experiences.

The Lehigh Consulting Group provides incredible, real-world experiences for students, and thus positions them for success in the highly competitive business world.

Lehigh Makerspace

LU Makerspace is a community dedicated to increasing the availability of fabrication resources on campus and create ownership of those resources. Our hope is that this will foster a collective of students interested in creating physical items and willing to share their knowledge of how to make things with the rest of campus!

President Evan Simon
Vice President Emma Isaacs
Treasurer Nathalye Terrero-Martinez
Secretary Anh Hung Nguyen
Faculty Advisor Brian Slocum



LU Bhangra

President Devika Gupta
Vice President Jass Bains
Treasurer Komal Grover
Secretary Atmiya Patel

LU Bhangra is a new dance group that has gained momentum since it was founded in Spring of 2017. Bhangra itself is a high energy folk dance form that originates from the Indian state of Punjab. LU Bhangra also incorporates the use of props and a fusion of Punjabi and pop music throughout their sets.

LU EMS

The LU Electronic Music Society exists to promote the education of students in the field of disc-jockeying and electronic music production. The LU EMS holds weekly sessions where students can learn the fundamentals of disk-jockeying and gain experience using Ableton Live. The sessions are a creative environment that foster collaboration. The end goal is that students will be able to pass on the same performance skills and perform live!

President Pablo Aviles
Marking Director Eren Kalfoglu
Internal Chair Jasmine Banful

Graphic Design Walker Finlay
Academic Advisor Bill Holmes

Medical ANTHROPOLOGY Association

Medical Anthropology Association (MAA) is a new club for students of all majors who are interested in multidisciplinary perspectives on health, medicine, and related fields.

President Sarah Hyun '19
Vice President Mira Taylor '18
Secretary Lounie Germain '20
Treasurer Lanita Kim '19

Faculty Advisors
Dr. Nicola Tannenbaum, Dept. of Sociology & Anthropology

LU's Finest STEP TEAM

LU's Finest Step Team is a dance club that uses our bodies as instruments to create intricate beats. Stepping is a tradition that has been passed down through generations of people that originated from Africa.

Our club brings people of different races and backgrounds together to dance, perform and have fun. We take pride in our diversity and the complex rhythms we produce by stomping our feet and clapping our hands. In addition to the aforementioned performances, LU's Finest will be competing at Spec Spec on April 14th 2018 to expose the DLife students to this unique art form.

Finally, we are extremely excited to have coordinated with the Office of Multicultural Affairs to perform as the openers for one of the country's top ten African American dance companies- Step Afrika on April 12th!

President Kyra Jenkins-Hunter
Captain Amanda Anglemyer
Secretary Mikayla Cleary-Hammarstedt
Treasurer Cianni Hayes

Marching 97

The past year was a landmark one for the Marching 97, taking the band from Bethlehem all the way to England for London's New Year's Day Parade! With our new director, Dr. Darin Lewis, the band marched over one hundred members in its ranks all season long. On the field, the 97 looked and sounded great, playing everything from current hits to TV themes. Highlights included a joint performance of the Star Spangled Banner with the Lafayette Band at the Rivarly Game and a pirate fight to the tune of "I'm Shipping Up to Boston".

Off the field, we recruited a large class of new members, watched a solar eclipse at band camp, filmed a commercial spot, confused a lot of people in men's restrooms…and of course, we lifted our legs and beat Lafayette! The 97 may be growing bigger and better, but our unique spirit called psyche still remains at the heart of everything we do.

Manager Daniel Beadle '18

Faculty Advisors
Marching 97 Director Dr. Darin Lewis
Director of Bands Professor David Diggs

This year the band mourned the passing of Professor Al Neumeyer, who directed the Marching 97 for over 20 years. Here he is preparing to march on to the field with a baritone saxophone at the 2015 Le-Laf Rivarly Game. Though he retired in 2016, Director Neumeyer helped prepare the band musically and garnered support from the all around the university for the 2018 trip to London.

SEASON: 7 - 0

Melismatics

Founded in 2001, The Lehigh Melismatics are Lehigh's oldest co-ed a cappella group. For 17 years the group has performed once a semester featuring popular artists in genres like pop, alternative and hip hop. All music is arranged and taught by our own members, making us a completely student-run group!

The Melismatics also perform in multiple gigs throughout the year and compete in the International Championship of Collegiate A Cappella annually. Our album "Addicted" can be found on most music streaming sites. We are currently in the recording process, so stay tuned for our next album to drop in fall 2018!

Peer Health Advisors

The Peer Health Advisers are a group of students devoted to helping our fellow peers practice healthy and safe behaviors while at Lehigh and to ensure the well being of the entire student body. We strive to accomplish this by facilitating presentations in residence halls, Greek chapters and athletic teams in order to educate students about issues such as substance abuse, STD's, stress and sleep. In addition we host campus wide events such as Destress with Dogs and Destress After Dark to help our fellow peers deal with the many stressors of college life.

Recreational Tennis

Recreational Tennis is a casual tennis club that meets twice a week to play as long as the weather is nice. All are welcome, including those who have never played before, and those who play on the Club Tennis team are welcome to practice with us as well.

We provide balls and rackets to borrow for those who need it. This club is meant to allow people who want to play tennis casually, and those who want to start, to be able to at no cost and in an organized manner, get some fun exercise, and to meet new people who share an interest in tennis. Those who do not make it through Club Tennis's tryouts generally join our group so they can still play for fun. People can play whatever they want, usually we have courts for people to play singles, doubles, and mini games such as King of the Hill. We just want everyone to have a fun time playing tennis!

President Kaity Hwang
Vice President Jacob Grassi
Treasurer Dylan Schaschl

Swing DANCE

Swing Dance club is a small, tight knit group of people who enjoy this social, improvisational, and flexible dance that is almost 100 years old but is enjoyed by many, of all ages, around the world.

The college swing dance community is very welcoming and fun and we take trips to UPenn, Penn State, and U Delaware to dance at with a variety of people and live music. At Lehigh we teach weekly lessons and perform at events in the Spring like International Bazaar and Dancefest.

Lead by Amber Wallace & Ava Scally
With much appreciated aid from Katie Barr

SASE

The Society of Asian Scientists and Engineers (SASE) is an organization dedicated to the advancement of members in education and employment through professional development, diversity, and service. SASE seeks to prepare members for success in the global business world, explore and encourage cultural diversity in the workplace and on campus, and provide opportunities for members to make contributions to the local community. By taking advantage of workshops, panels, meetings and conferences, members are given opportunities to network with companies, professionals and other SASE members while learning skills useful to all walks of life.

Formula SAE

The Lehigh Formula SAE team is an undergraduate engineering club composed of approximately 50 engineering and business students with an interest in the motorsports and related industries. Each year the team designs, manufactures, and races a unique single seat racecar in the Society of Automotive Engineers collegiate design competition. The FSAE competition allows students to experience the complete progression of a product, from initial concept to manufacture and assembly. Our experience in developing the prototype race vehicle educates students in the application of engineering principles, the impacts of business decisions, and the importance and value of establishing supplier relationships.

TAMID

We are the TAMID chapter at Lehigh University. TAMID is a non-profit organization that connects business-minded American students to the Israeli economy. Over the past years, TAMID has grown from a few interested people to a large, thriving group on campus. This is because we have dedicated members who always look forward to new challenging opportunities.

During the year, we interact with the Israeli economy in many ways. Members participate in an interactive educational program that integrates business leadership principles with Israel's economic landscape. Members may also choose to join student consulting teams, advising Israeli companies on the solutions to important business problems, or choose to join the Investment Fund program, in which teams conduct equity research and manage a stock portfolio.

Each summer, members have the opportunity to spend eight weeks in Israel on our capstone internship experience. This year, we also had the privilege of hosting Ambassador Dani Dayan, Consul General of Israel in New York, for a talk on technology and business in Israel.

QUIDDITCH

Quidditch Club is a recreational sport which plays a muggle version of Quidditch from the Harry Potter series. Quidditch is a full contact sport where three Chasers on each team score the Quaffle in three hoops on either side of the field, while two Beaters attempt to knock them off their brooms by throwing Bludgers, and each team's Seeker chases a human Snitch for additional points. In addition to this action on the pitch, this year Quidditch also hosted fun Harry-Potter themed social events including a movie night and Harry Potter Trivia.

President Katie Gliot
Vice-President Cole Geryak
Treasurer Vito Scocozzo
Secretary Rachel Margraf

Spikeball

Started in November of 2017, the Lehigh Spikeball Club was created for students to learn the game of Spikeball and play competitively. The Spikeball Club holds weekly practices where students work can work on their Spikeball skills and have a good time playing against other students. In 2018-19 the Spikeball Club is planning on competing against other collegiate teams and hosting a tournament at Lehigh.

President Lyle Chamberlain
Vice President Ryan Lynn
Secretary Pierre Klur
Events Coordinator Tyler Keller
Treasurer Evan Chinman
Marketing Director Lucas King

Society of Women Engineers

Society of Women Engineers is an inclusive club dedicated to empowering and connecting women in engineering. This fall, we partnered with other women's groups on campus to create the first Gender Diversity in Tech Dinner, where we hosted over 90 students, faculty, and engineering professionals for dinner, a keynote speaker, and a forum for discussion about diversity in STEM fields. In the spring, we ran another successful CHOICES event for over 40 local middle schoolers, as well as hosted our first partnership workshop with TechGirlz, a Philly-based non-profit. Through a number of new professional workshops and social events, it's been exciting to see SWE grow as not just as a club but as a supportive, empowered community.

President Kira Gobes
Marketing Chair Maggie Helmes
CHOICES Chairs Annaliese Cunniffe and Mel Durbin
Outreach Chair Elisabeth Oglevee
Events Chair Brooke Glassman
Treasurer Morgan Comisac
Faculty Advisor Professor Sharon Kalafut, CSE Department

WiSE

The Lehigh University Women in the Sciences and Engineering (WiSE) Club promotes academic development for women. Serving as a platform for providing perspectives on women's excellence and leadership in science and engineering careers, we seek to empower women to set and achieve academic and career goals. We provide a safe, social arena for women in STEM fields at Lehigh University.

President Fatma Ayancik Cinoglu
Vice-President & Secretary Xiu Jia
Treasurer Melike Kurt
Marketing Director Lucas King
Faculty Advisor Dr. Christina Haden

Women in BUSINESS

Women in Business (WIB), is an organization that promotes our members personal and professional development by engaging in activities and workshops supporting business skills and etiquette.

By encouraging and fostering effective leadership, WIB is the collective voice for women entering the business field. WIB promotes confidence in women who face challenges in the workplace after graduation. By aiding members in career direction, we seek to sustain relationships, and foster a supportive environment to address significant topics.

In the fall 2017 semester, we hosted recruiting, networking, and development events. In the spring 2018 semester, we hosted an etiquette dinner with alumni Lena Koropey. Each year, we visit a business office. This year, we chose Urban Outfitters, located in Philadelphia, PA. Our largest event is the annual Women in Business conference. Consisting of two panel sessions, this includes a keynote speaker as well as a networking portion of the panel.

President Kristen Silvi '19
Vice President Genevieve Nickerson '20
Treasurer Nicole Behany '18

Faculty Advisor Emily Ford Assistant Dean, Undergraduate

Accent, Intonation, & the FUTURE

The purpose of the Accent, Intonation, and the Future club is to help Lehigh students (especially international students) who aim at improving social skills in the American cultural context. We achieve the purpose through accent training, intonation correction, board game strategy exploration, mentoring program, and other events that serve the same purpose. This year we have held accent training sessions, game stations, and meet & greet events with AIF mentors.

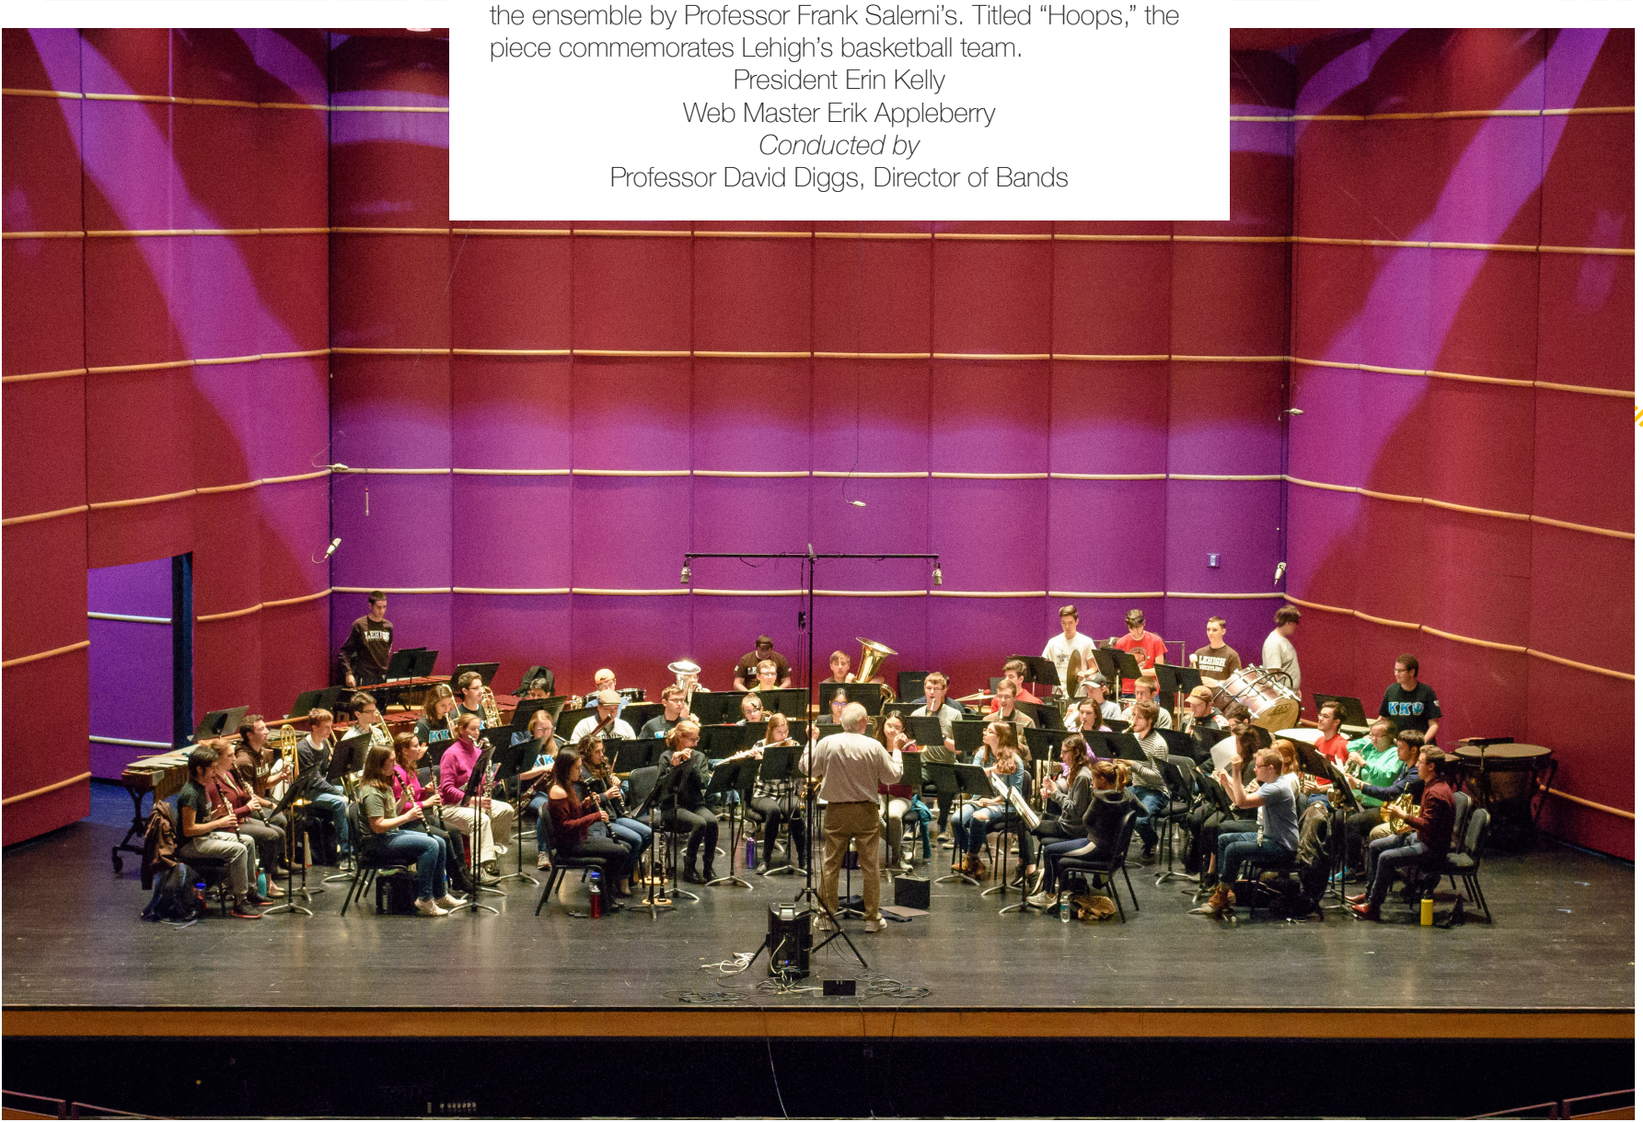
President JiWon Michelle Yeom
Founder Rui Sun
Faculty Advisor Christina Jordan

Wind Ensemble

The Wind Ensemble at Lehigh University is a select group of students dedicated to the performance of original music written for woodwinds, brass and percussion. Drawn from various colleges throughout the university, this diverse group includes engineering, computer science, business, as well as many liberal arts disciplines.

The group meets every Tuesday and performs contemporary, as well as classical pieces. Typically, we feature a Sousa in our once-a-semester performance. In May 2018, the Wind Ensemble featured a new musical piece, written specifically for the ensemble by Professor Frank Salerni's. Titled "Hoops," the piece commemorates Lehigh's basketball team.

President Erin Kelly
Web Master Erik Appleberry
Conducted by
Professor David Diggs, Director of Bands



LU PHILHARMONIC

The Lehigh Philharmonic is a group of Lehigh students, faculty, and community members from the Lehigh Valley. Our shared love for music creates a welcoming environment and the diverse community fosters lasting friendships.

We enjoy learning and performing challenging pieces of music and sharing our passions with the Lehigh community. In December, we performed Rachmaninoff's second symphony and a Beethoven piano concerto with Julliard piano professor, Jerome Lowenthal. In February, we had our annual Concerto Marathon where 10 students performed solos they'd been practicing all year. In April, we joined forces with the Pennsylvania Youth Ballet/Ballet Guild of the Lehigh Valley to perform Stravinsky's Firebird. Our concertmaster Michael Jorgenson also played a Brahms violin concerto.

Baja SAE

Lehigh Baja SAE is a student run, multidisciplinary design project that allows undergraduate students to work together to build an off-road vehicle. The students design and manufacture a new vehicle every year from scratch. This is an amazing opportunity for team members to get hands-on engineering experience while still in school. Once the car is built, the team takes it to SAE competitions across the country where they compete with school from across the world. The cars and teams are judged on static events and dynamic events, as well as a four-hour endurance race which pushes the cars to their very limit, many of which break down.

Lehigh Baja is a growing club on campus and has only been around for four years, but we continue to surpass schools with many more years of experience which just goes to show what it means to be a Lehigh Engineer.

This year the team attended a competition in Pittsburg, KS with the following results:

Baja SAE Kansas - Overall: 26th of 95 teams

Static Events
Sales Presentation: 55th
Cost Event: 77th
Design Event: 39th

Dynamic Events
Acceleration: 42nd
Maneuverability: 46th
Sled Pull: 3rd
Suspension & Traction: 25th
Endurance Race: 28th

Women's Lacrosse vs. Holy Cross by BENJAMIN WANG

Commencement

President John Simon

Congratulations, Class of 2018!

On behalf of Provost Pat Farrell and the rest of my senior officer team, I commend you on a job well done. You're probably thinking, Has it really been four years since that first August MOOV-In? Yes it has, and now as you leave South Mountain, you take the great Lehigh spirit with you.

But keep this in mind: You never really leave Lehigh. You are joining the ranks of the 80,000-plus LU alumni worldwide. These women and men are intensely loyal to their alma mater; so please, don't hesitate to reach out to your fellow members of the Mountain Hawk family.

Whether you are heading to graduate school, readying yourself for your first day of your first "real" job, or preparing for an adventure of a different sort, what you learned here will serve you well. Lehigh is known for developing leaders, and the Class of 2018 measures up very well in this regard. You were leaders in the classroom, in your living groups, in clubs, on your athletic teams and in the arts. You were leaders in the South Bethlehem community: tutoring middle school students, raising money for worthy causes, putting your talents to work in the service of others.

When you look back on your college days, among the things you will treasure most are the lifelong friendships you formed – perhaps with a roommate, a teammate, a lab partner, a professor, a member of the support staff. Or, quite possibly, all of the above. These relationships will be enduring, as will the memories of your time at Lehigh.

We send you off with full confidence that you will continue to excel. I encourage you to be active and engaged alumni. And don't be strangers! Come back to campus from time to time and let us know how you are doing.

Here's to a healthy, happy, and prosperous future to each and every one of you!

Sincerely,

John Simon

LEHIGH
2018

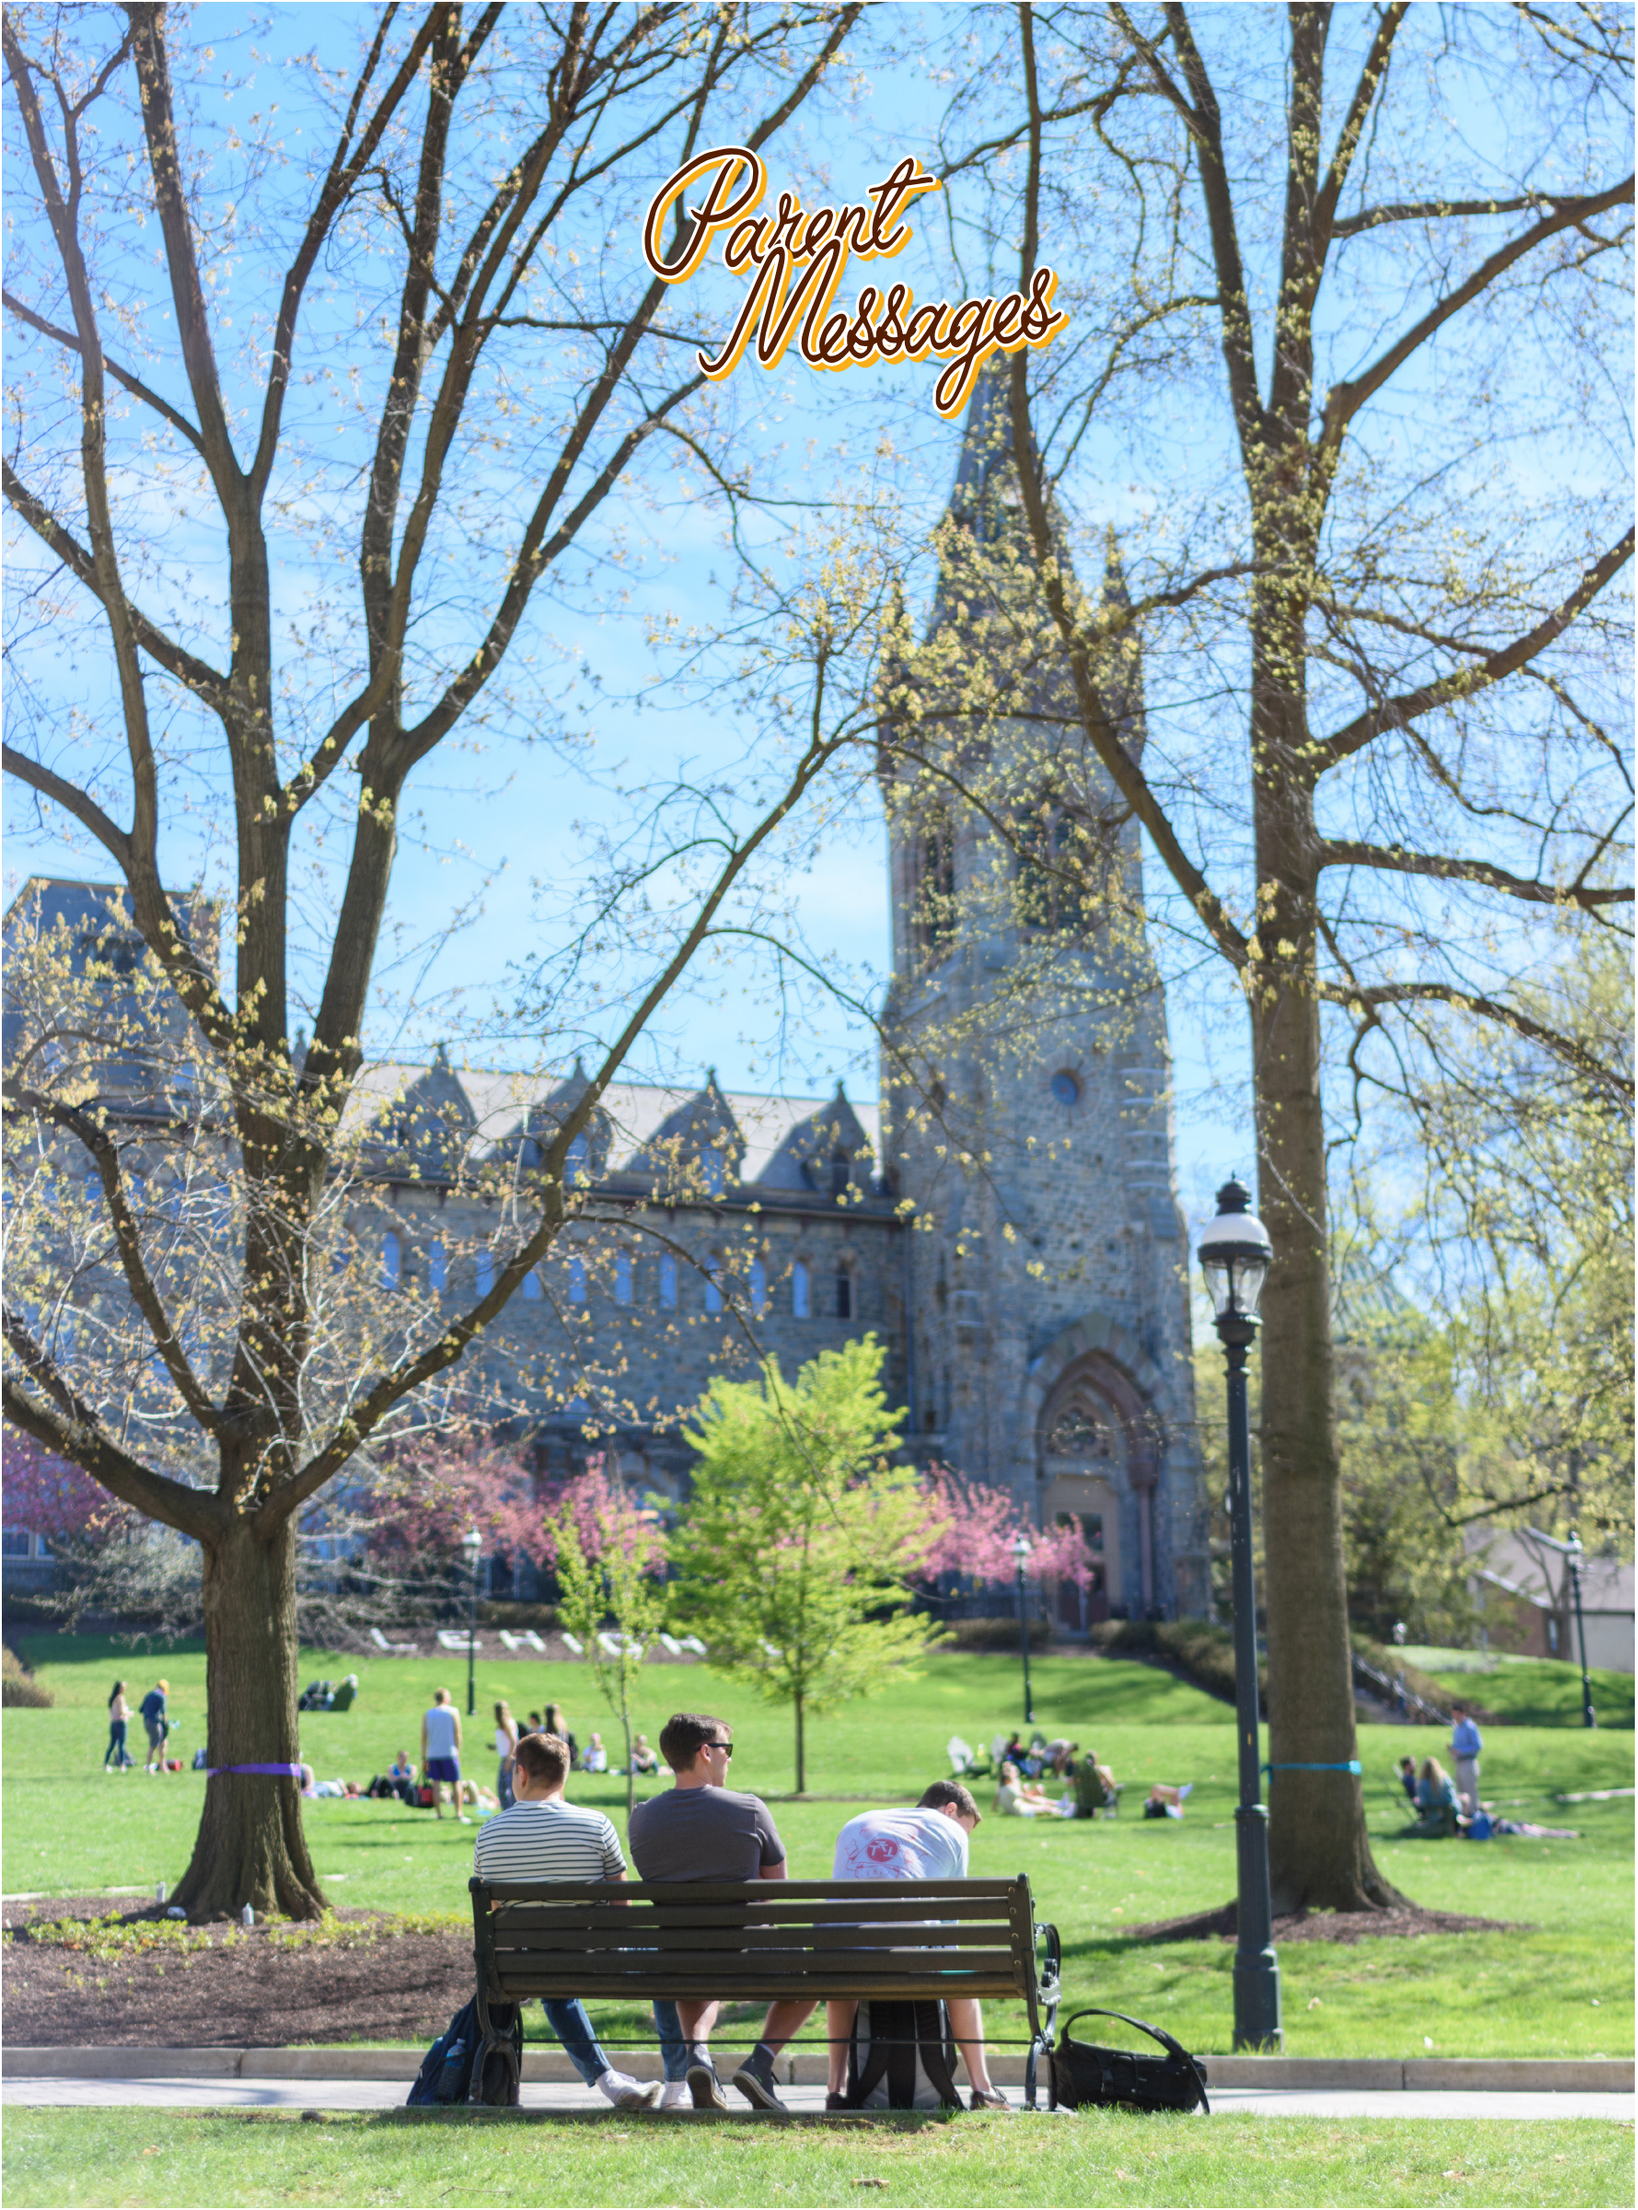
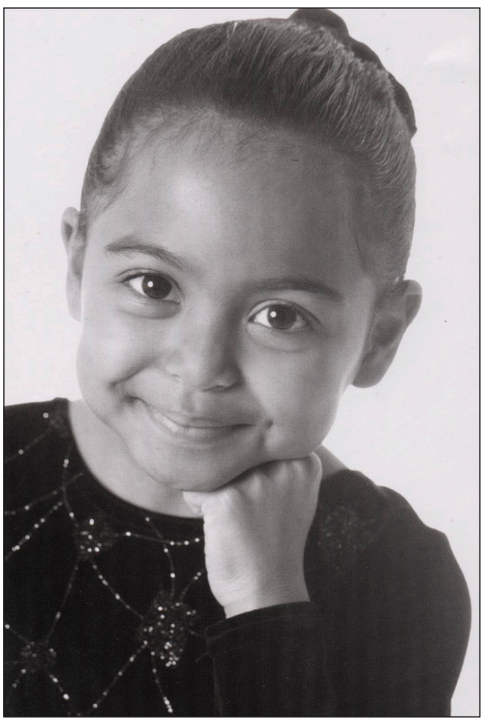
Please note that this is not a complete list of the class of 2018. All members of the class were notified of the opportunity to sit for a portrait and to the best of our knowledge no portraits were omitted.



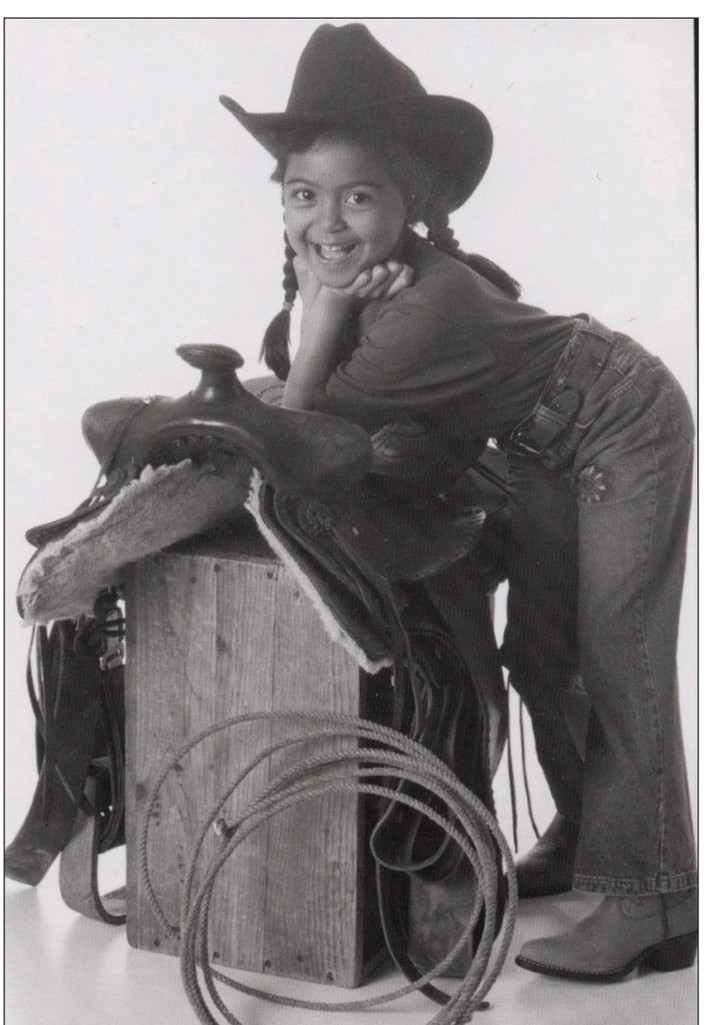
Parent
Messages

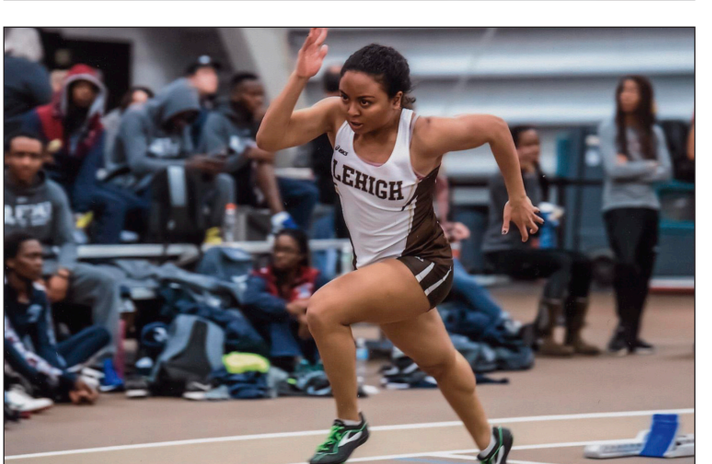
Liyala Djenne' Dickens



Djenne'

A silhouette of courage against the shade of life
Faith over fear
A resolute will to overcome strife
Cries for Justice ring in your ear
Disciplined self-control in academics and athletics
An indomitable spirit to succeed
You are more than mind and spirit occupying space
Manifested in God's grace
You are the apple of our eye
YOU MATTER!





Kirstin Godau

Kirstin

Congratulations! We are so proud of your accomplishments. You have grown into a bright, loving, confident young lady and we look forward to being there for you while you take the next steps of your journey in your life. May all of your dreams come true!

All of our love, laughter and hope be with you.
Mom, Dad, Paige & Kyle

Jordan LeFrois

Congratulations, Jordan!

You did it! Another milestone reached and more to come. We hope you're as proud of yourself and your accomplishments as we are.
We've watched in awe as you've grown into the person you are today, and we're watching with great hope and anticipation to see what you become.
With your talent, intelligence, drive, and determination, there are no limits!
We're thankful for all the precious memories we've shared with you.
The best is yet to come!

So much pride, joy, and love.
Grandma & Mike

"Go confidently in the direction of your dreams.
Live the life you have imagined."
-Henry David Thoreau

Brandon Merluccio

I remember our first goodbye on the Front Lawn. My heart filled with pride and joy, tears rolling down my face. I hugged you ever so tightly wishing you the best and most memorable chapter in your life.
Four years gone by in just a blink of an eye. I am so proud of you! Pursuing ones dreams is not an easy task; it requires passion, commitment, dedication, late night studies, lack of sleep, and sacrifices. It is time to cherish the fruits of your hard work.
As you embark on your new quest, be fearless in the pursuit of your goals. Never stop pursuing knowledge. Live life to the fullest and give it your all. Best of luck in all your future endeavors. May your life be filled with health, love, happiness, and all the success in the world.

Congratulations on your graduation!
Love you forever, Mom

Max Rosenbaum

Max, we are so proud of all that you have accomplished. Your passion and perseverance are an inspiration. Continue following your bliss and all of your dreams will be realized.

We love you.
Mom, Dad, Alex, Hank, Oliver & Winston

Albert Schwartz

Congratulations Albert!

We are unbelievably proud of our Lehigh grad. Your growth and development into the man on stage in a cap and gown inspires us all. Can't wait to see what you do next!

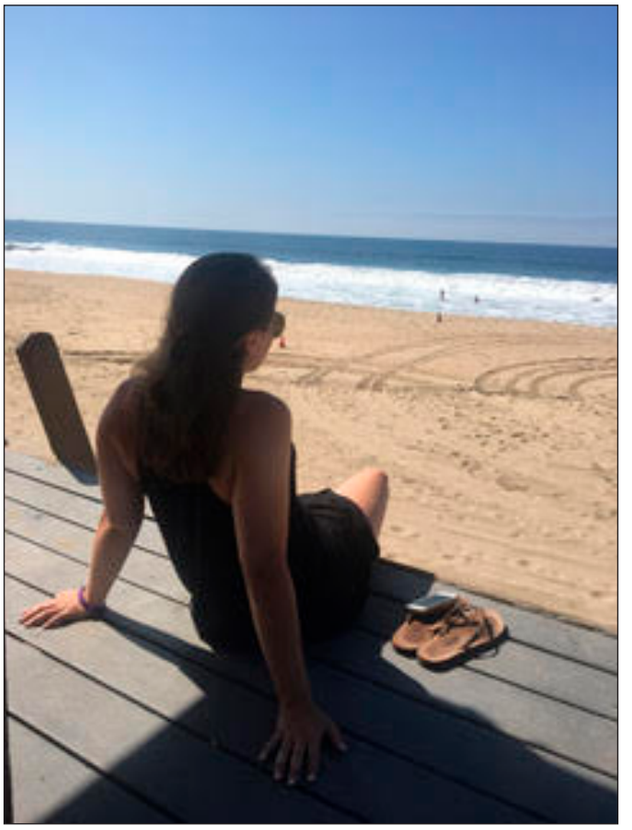
We love you,
Mom, Dad, Sydney, Jessica and William

Jacqueline Amaris Brand

Congratulations Jackie! you did it!

It's been our joy to watch you grow and accomplish so much these past four years. There's no limit to what you can do, so keep believing in yourself! You have become a confident, determined woman. May you always dare to do great things. Keep on ßchallenging yourself and follow your dreams.

With love and pride, today and always,
Mom, Dad and Katharine



Michael Brill

We are very proud of all you have accomplished and how hard you have worked. Your many friends and great memories will always remind you of Lehigh. Your next adventure awaits you!

Love you, Mom and Dad

Grace Butler

As you embark on the next journey in life, always remember how very much you are loved and how proud we are of you!

All our love,
Mom, Dad, and Jack

”Be strong and courageous. Do not be afraid; do not be discouraged for the Lord your God will be with you wherever you go.” - Joshua 1:9

William Chadwick

Congratulations Will on all of your accomplishments. Your memories and experiences at Lehigh will be part of you forever. May your hard work, dedication and spirit guide you in pursuit of your dreams.

Love Mom and Dad.

Leann Corwin

Always remember
You are **BRAVER** than you **Believe**
STRONGER than you **Seem**
SMARTER than you **Think**
& **LOVED** more than you know.

Congratulations!!
You make us proud every day!
With all our Love,
Mom and Dad

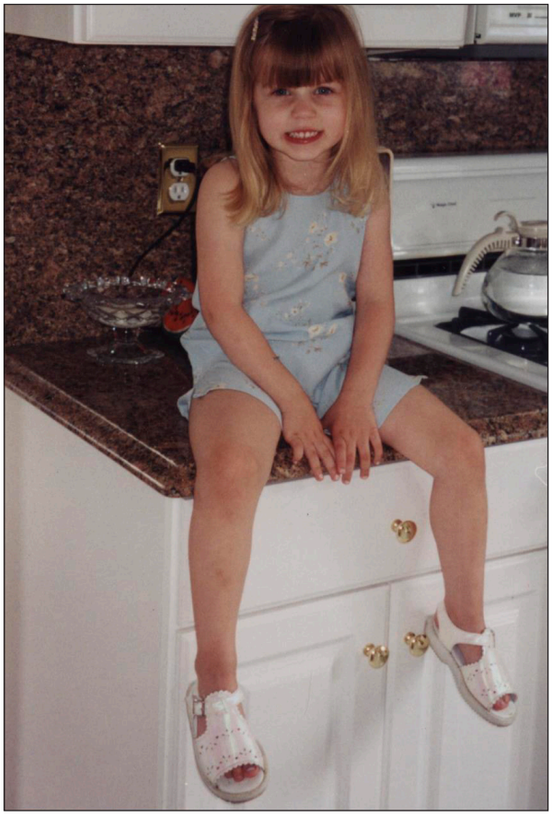
Gabriel Donald

When it's hard they say it's rocket science
But that only makes the thrill feel greater
When liftoff ends its shuddering cadence
We'll be right behind that lunar crater

A small step for mankind but a giant one for you. We're so proud of you; dream on and we'll always be with you.

Congratulations and all our love,
From Mom, Dad and brother Alex.

Alyssa Maier



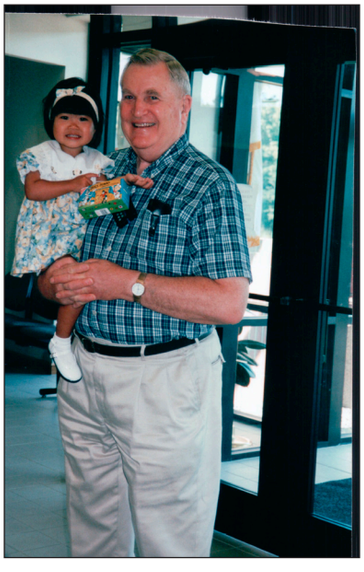
Congratulations Alyssa,
we are very proud of your
accomplishments.

We love you
very much,

Dad, Gillian and
Grant

Nicole McCallum

Nicole,
Such a joy watching you grow thru the years.
Discovering your passions,
Striving to make them a reality.
From a confused toddler in China
Emerged a confident young woman ready to take on the world!
We are so proud of the person you have become.
Love you, Mom and Dad



Words to live by ...

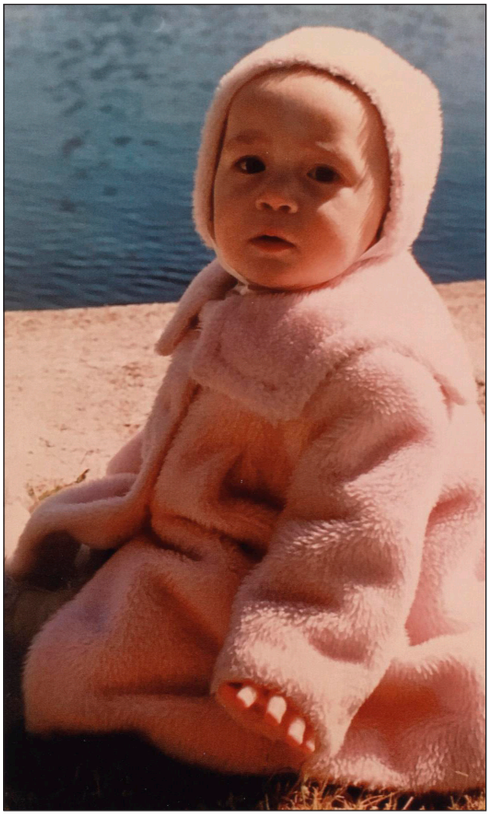
Behind you, all your memories.
Before you, all your dreams.
Around you, all who love you.
Within you, all you need.

Alexandra Rankin

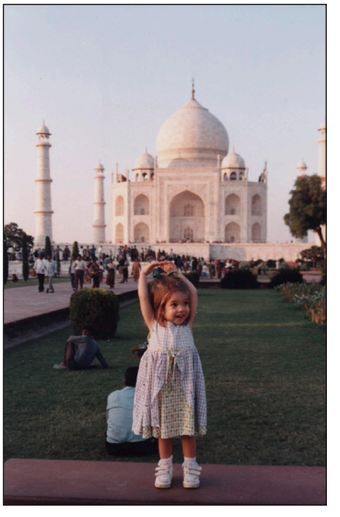
Congratulations!

You have made our lives so incredibly fun. You are truly an amazing and beautiful person in endless ways. Everyone needs you on their team! There is nothing you can't do so go be the MVP that you always are.

We love you,
Mom, Dad, Paul
and Pierce



Tara Sabharwal



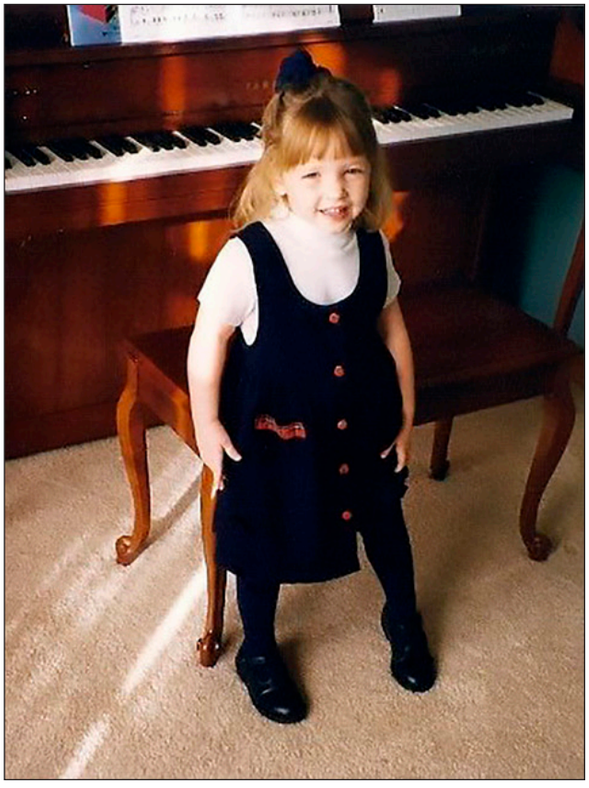
Congratulations, Tara!

You are a beautiful person inside and out! Throughout ups and downs, successes and disappointments, you stayed true to yourself and followed your heart with an open mind and a willingness to grow - plus you always made time for us here at home through Daddy's stroke and Gma and Gpa's Alzheimer's.

Never stop smiling and laughing your way through this crazy thing called life! Choose love over fear, faith over doubt. We will continue to waterski behind you, enjoying every minute of your journey!
We love you unconditionally!

Always,
Mom and Dad

Ellen Schaaf



Ellen,

Congratulations!

Your perseverance is an example for everyone.

We are incredibly proud of you and all that you have accomplished.

Love,
Mom and Dad

Mark Shterk

Congratulations on your graduation, Mark!

We are so proud to see our little boy grow into such a fine and mature adult.

With love and pride today and always!
Your parents, brothers and family of two continents.

Becky Trofa

As you have grown from a happy-go-lucky, hotdog-eating little girl into the beautiful and strong woman you are today, we hope you have enjoyed the journey as much as we have!
Can't wait to see what's next!

Congratulations!

Love,
Dad, Mom, Kristen, Jenny, Melissa & Libby

Juan Alfonso Renato S. Yap

"Congratulations on graduating, Fonz!
We're as excited as you are for what's next.
Follow your dreams, surround yourself with good people and enjoy the ride.
We're here to support and cheer you on!"

Robert Axelsen

Congratulations Robbie!

You have always journeyed through life with intelligence and curiosity; amazed at each new thing you learned. You carried forward that enthusiasm and are reaping the rewards. We hope you continue to have big dreams and live a grand life.

We love you,
Mom, Dad, Michael, Steven and Eric

Sarah Boyle

Congratulations Sarah Boyle!

"Success is to be measured not so much by the position that one has reached in life as by the obstacles which she has overcome."

Love - Mom, Dad, Erin, Jack & Fred

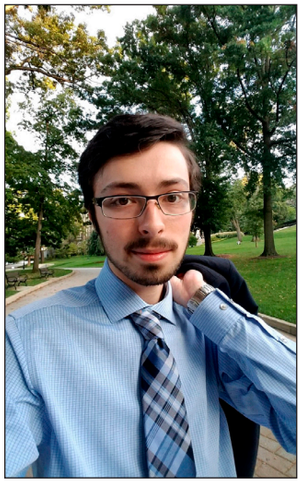
Casey Breuer

Congratulations Casey!

You continue to inspire us as you learn from your experiences and always forge a positive outlook for the road ahead. We love you and are so proud of the man you have become.

Love, Dad, Mom and Mac

Jeffrey Ross Brietling



We wish your dreams take you to the best places your heart has always aspired! Congrats on graduating but remember - who you were, who you are, and who you will be are three different people! You got this ...

All our love,
Mom, Dad and Harrison

Helen Y. Chamley

You've invested your heart and soul to achieve a worthy goal. Don't ever stop believing in yourself and try to find God in everything you do. You'll always succeed!

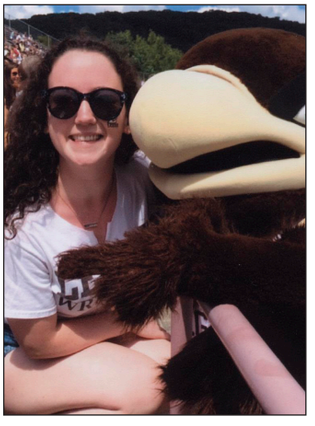
Love, Omma, Appa, Oppa and Hannah

Miranda D'Accordo

Our precious Bean, we are so proud of you and everything you have accomplished. Always be you; a stunning balance of strength, joy, adventure, and selflessness. Congratulations!

Love, Mom and Dad

Kerri Dunn



You and Lehigh ...

It was always meant to be!
We're so proud of all your hard work and accomplishments.

Congrats Kerri, the world is YOURS!

Love,
Dad, Mom, Colleen, Jerry and Timmy

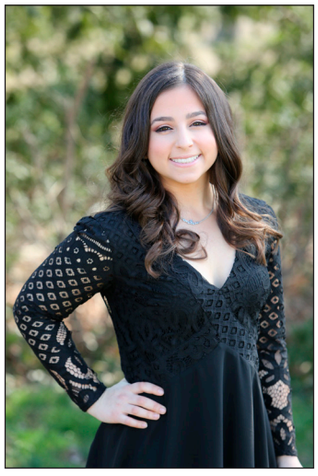
Carina Felipe

We are so proud of your dedication, drive, altruism and accomplishments. You're special and we know you'll be successful in this next phase of your life.

Congratulations!

Love, Mom and Dad

Alyson Givre



Today we watch you complete a goal set four years ago of becoming a college graduate. Through hard work and dedication you displayed such amazing abilities. We can't wait to follow you into the next part of your journey. You deserve happiness and unlimited success. The future belongs to you. Dream big, then go out and make them come true.

We love you,
Mom, Dad, Erika, Jonathan,
Willie & Delilah

Peter Gormley

We are so proud of you!

Love, Mom & Dad

Rachel Margraf

You powered off that "launchpad" and soared in ways never imagined. The world needs your unique talent ... we're quite certain it hasn't seen *anything* yet!

Congratulations on your first degrees!
Love, Mom, Dad & Josh (We miss you!)

Chase B. Menna

Chase, we are all so proud of you!

Congratulations!

Mom, Dad, Collin,
Cameron, & Callie

Behind you ... all your memories.
Before you ... all your dreams.
Around you ... all who love you.
Within you ... all you need.

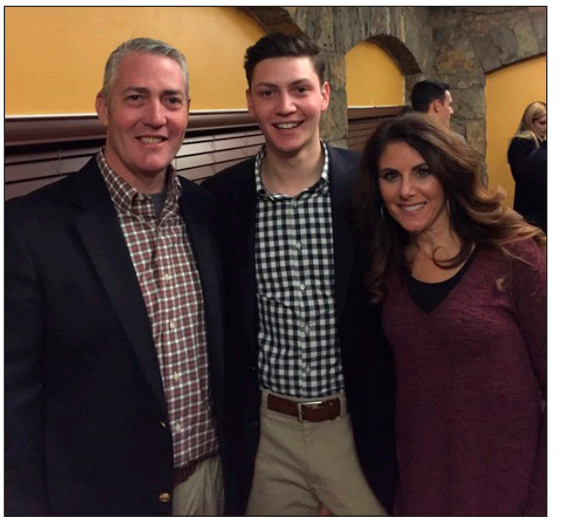
William S. Miya

”You miss 100% of the shots you don’t take.”
-Wayne Gretsky

So proud of you Billy!
Congratulations!

All our love,
Mom and Dad

Andrew C. Newman

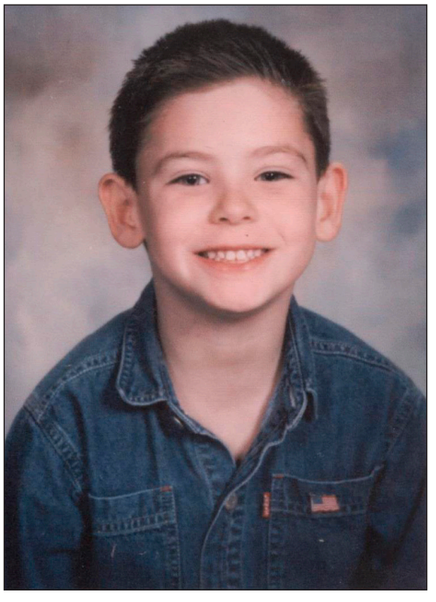


Congratulations Andrew!

We are very proud of you and know you will continue to use your many gifts as you go into the future!

Love you, Mom & Dad

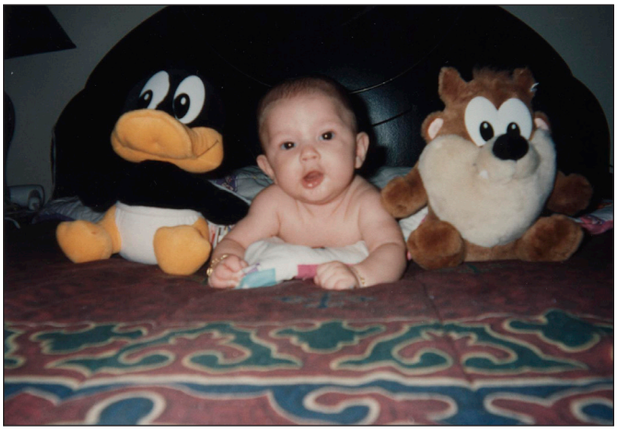
Anthony James Pugliese



TJ you are braver than you recognize ... smarter than realize and more loved than you’ll ever know!

All our love, Mom & Dad

Ivan J. Rivera



Thank you Jesus! We are so proud of you son. The world needs more hearts like yours. Go and make it a better place. may you face all challenges ahead with God’s love and guidance.

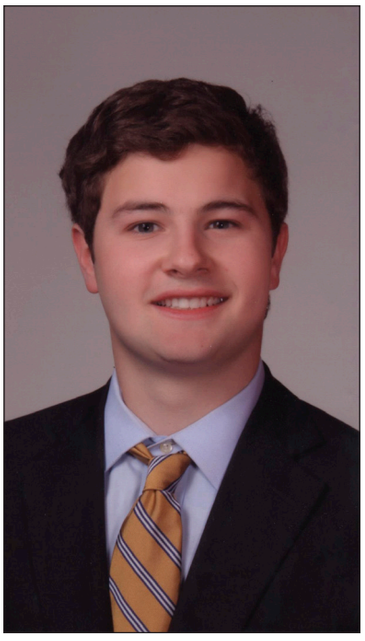
Love, Mom, Dad & Sibs

Matthew Rothberg

We're so proud of the man you have become and look forward to your future accomplishments. Enjoy the journey!

Love,
Mom, Dad, Stephanie & Jared

Nick Schepis



Congratulations Nick Schepis. We are all so proud of you and love you!

Mom, Dad, Anthony, Matt, Felicia, and Grandpa

Cole Tomlinson

Cole, someday you will surprise us and make a bad decision. So far you have not made one. SFPOY!

Mom & Dad

Ryan Joseph Vargo

Congrats Ryan on becoming a mechanical engineer due to your strong will and determination.
Wishing you great success in all your future endeavors.
We are so proud of you!

Love,
Dad, Mom & Bobby '14

James Whittaker

Congratulations James Whittaker!

Your focus and determination are inspiring to us both.

The best is yet to come.

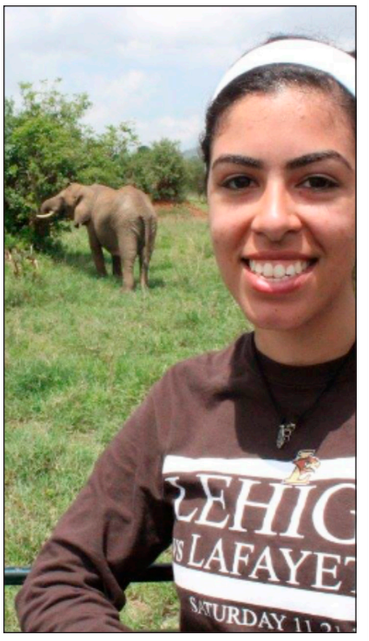
Love, Mom and Dad

Susan Zea

Congratulations Susan!

”Go confidently in the direction of your dreams.”

Estamos muy orgullosos de ti.



Love, Dad & sister Donna

Charles Austin

Congratulations!

Good luck & enjoy your future journeys.

"In order to be irreplaceable one must always be different."
-Coco Chanel

Congratulations! We are incredibly proud of your achievements and vision for the future. We wish you the best and are always here to love and support you!

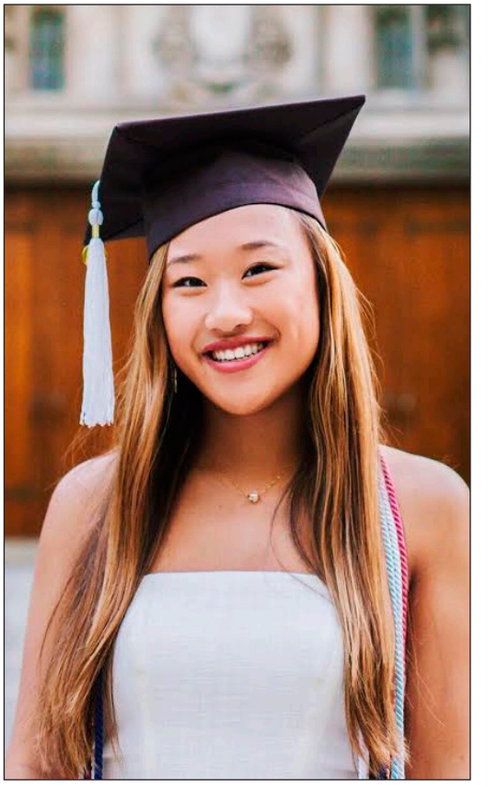
Love, Mom, Dad, and Shiv

LEHIGH AFTER DARK'S BOARDWALK
April 26th, 2018

Annie Henry

From the first day of Preschool to College Graduation....It has been a wonderful journey watching you grow and mature. Congratulations Annie! We are so proud of you and all your accomplishments. We can't wait to see what the future holds. Continue to follow your dreams and may God guide you in all you do.

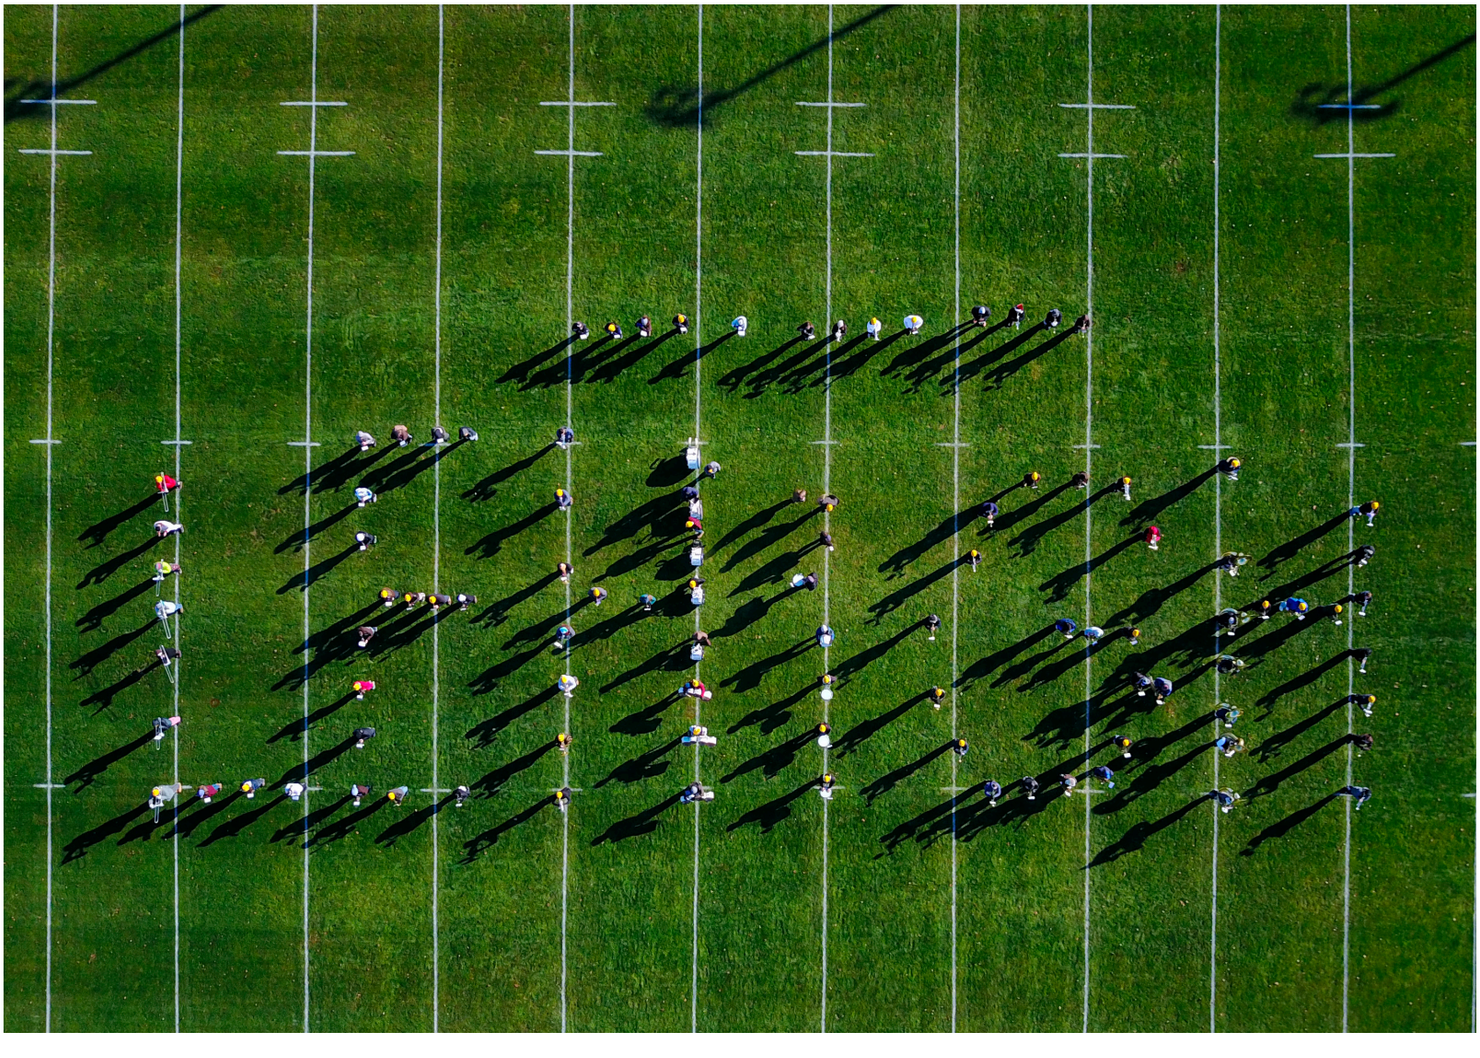
Love,
Mom and Dad

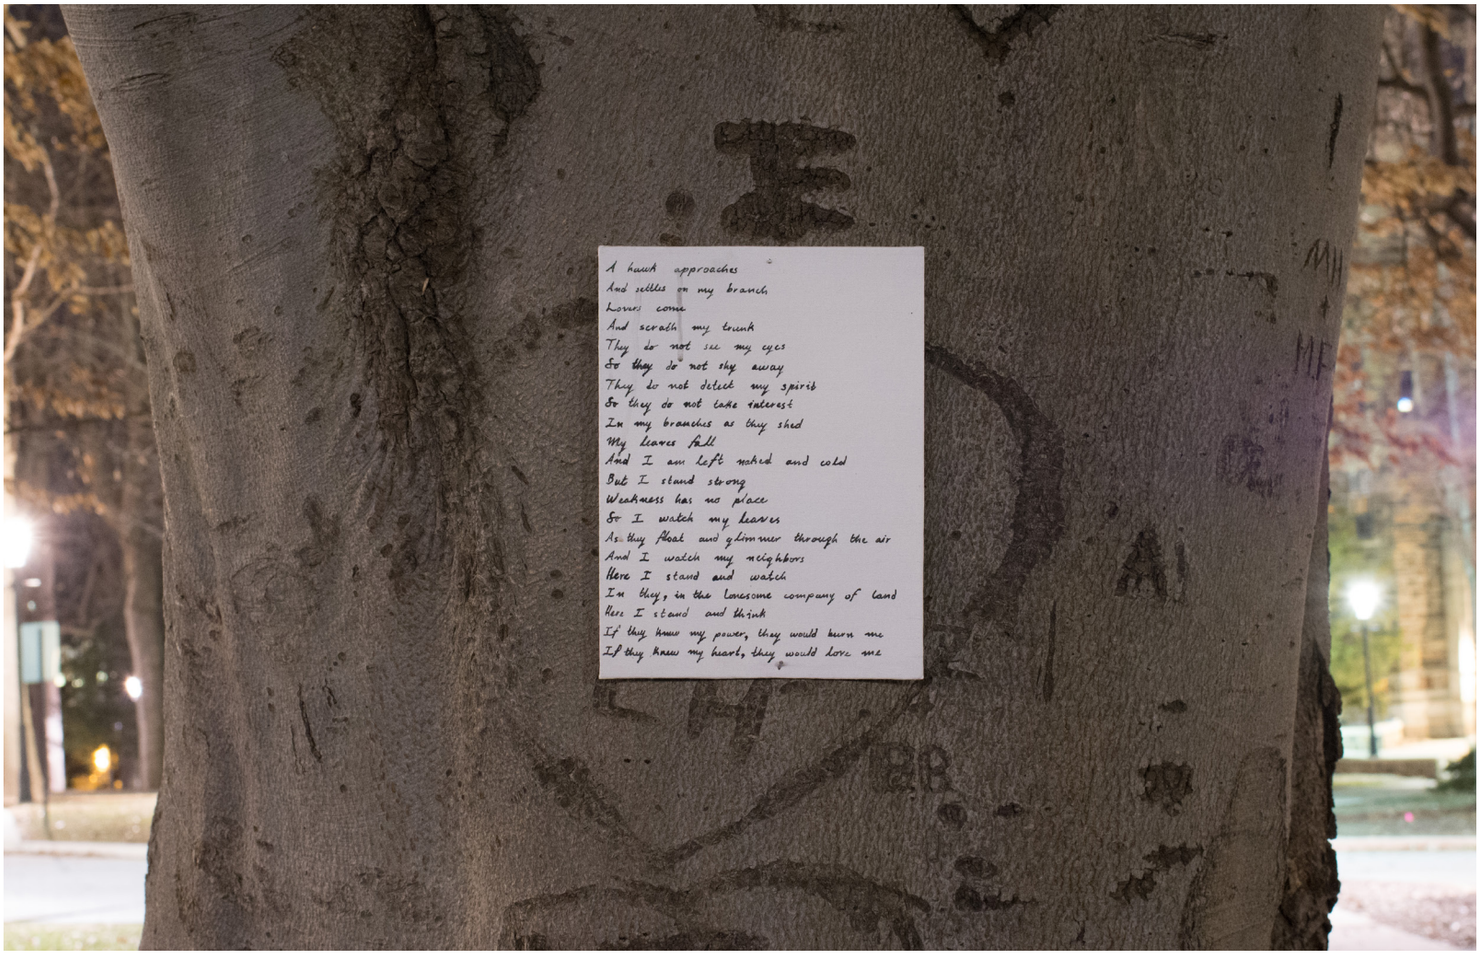


Top Right by CHRISTA NEUE

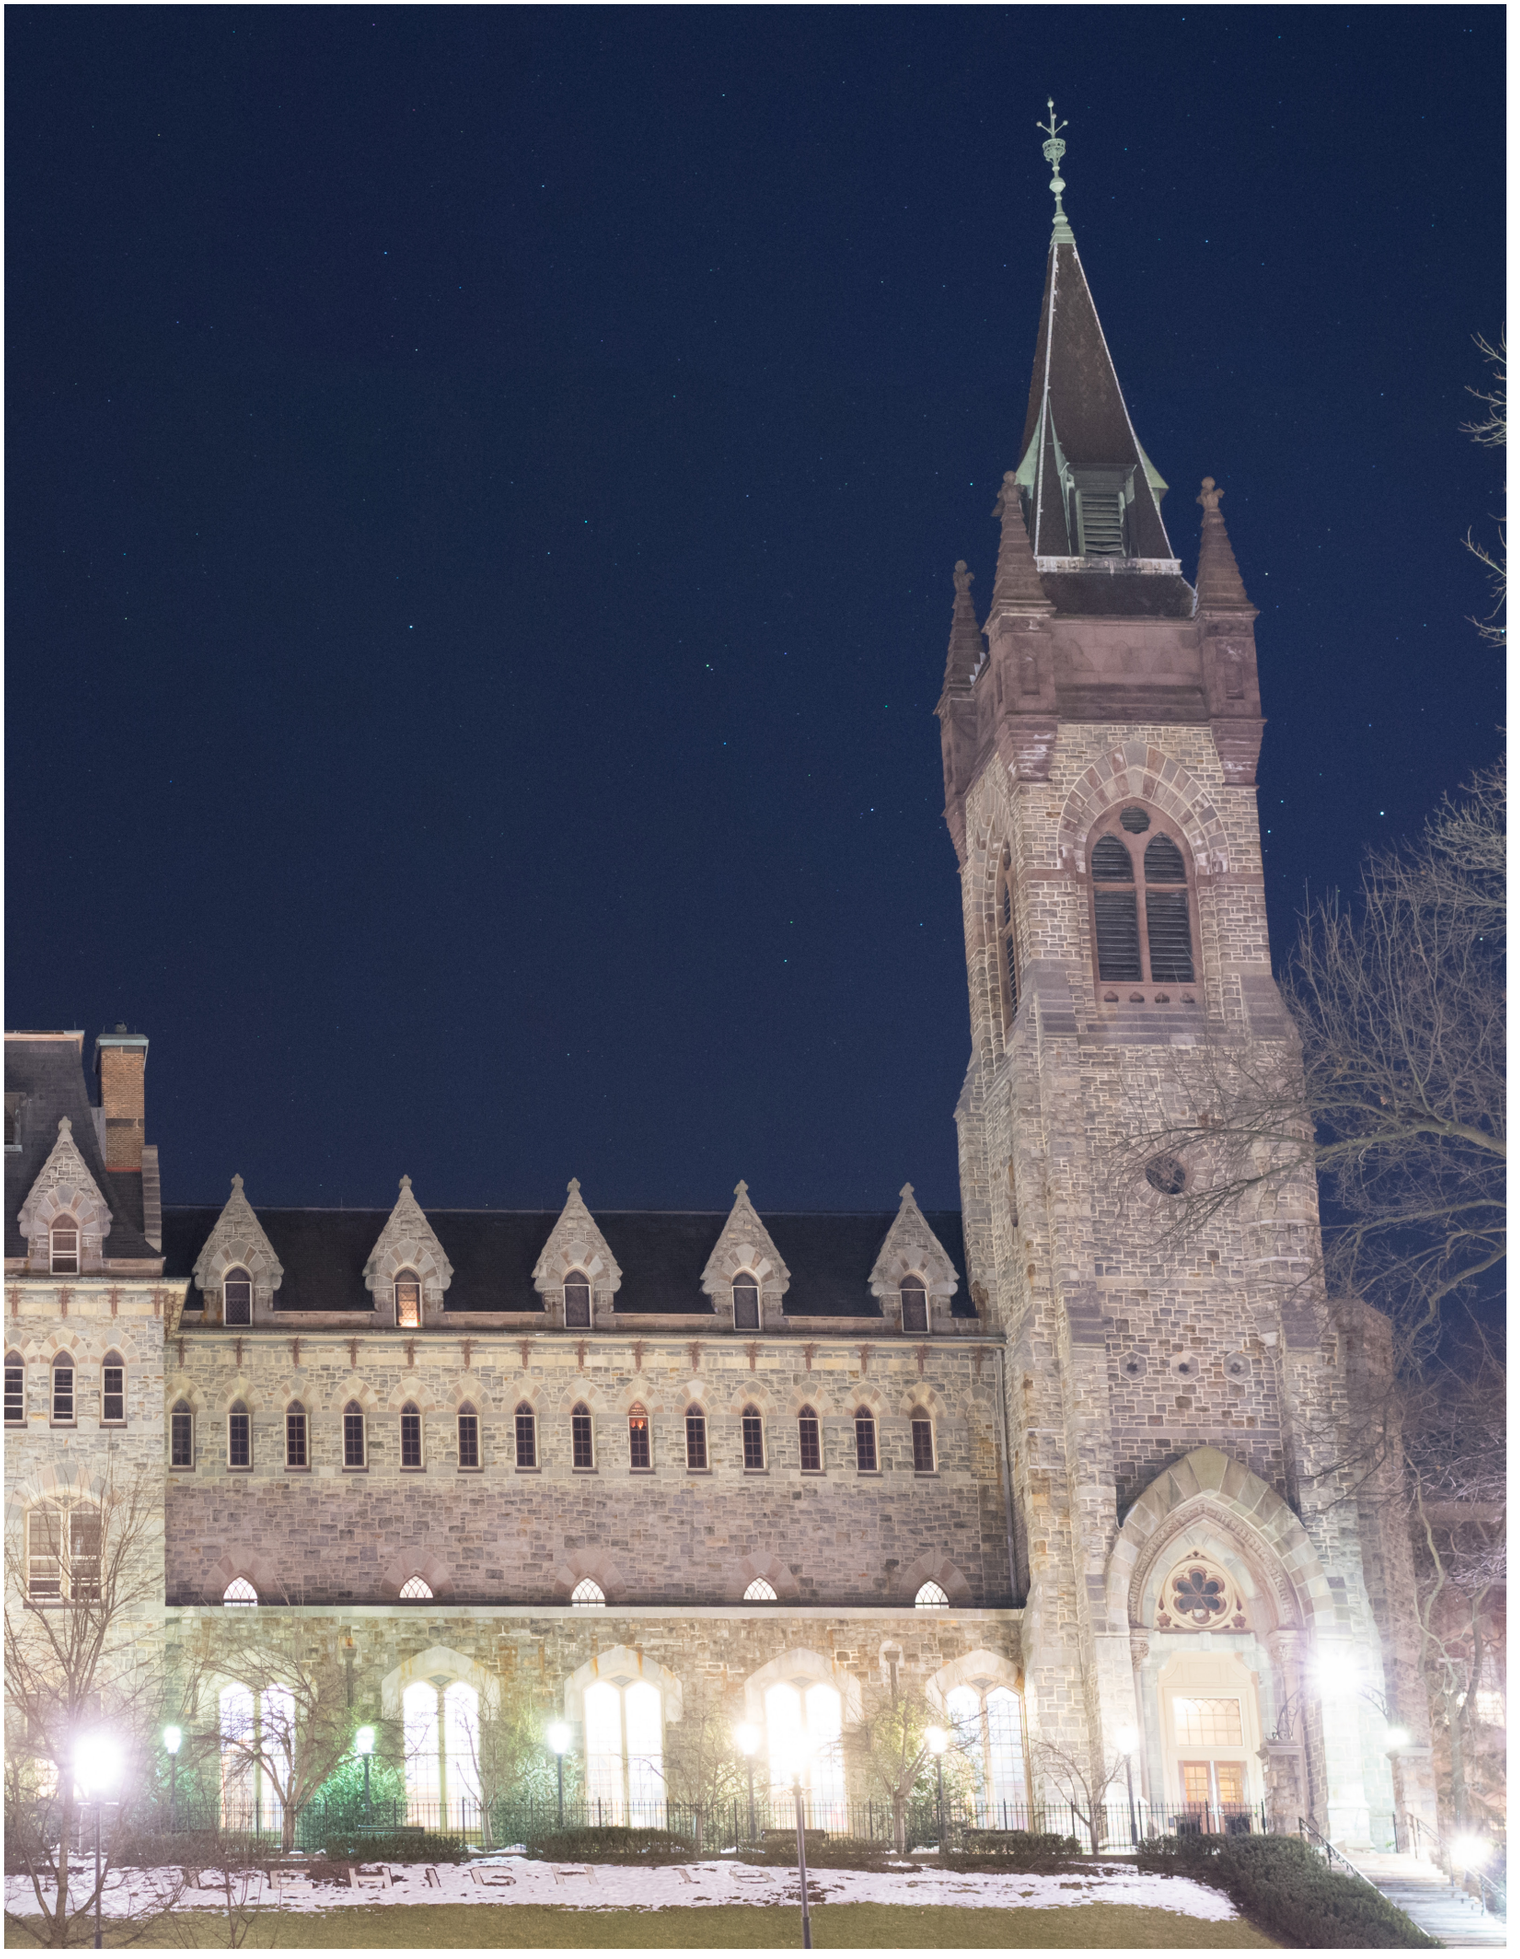
Photo by DANIEL BEADLE

Top: Epitome Staff DANIEL BEADLE, ANNIE HENRY and SAMUEL HENRY by CHRISTA NEUE





Bottom Right: Epitome Staff BENJAMIN WANG



Colophon

The 142nd volume of The Epitome was photographed, designed, and developed at Lehigh University by a small, dedicated team of undergraduates. 800 copies were printed by Balfour in Dallas, TX.

Except when otherwise credited, photos of students and campus were taken by SAM HENRY '20, ANNIE HENRY '18, and BENJAMIN WANG '20. Sports team group photos were provided by Lehigh's Sports Communications Department. Athlethics candids and senior portraits were provided by Lifetouch Inc. Photos of organizations were provided by the groups. SEAN FEICK '18 produced the layout and design of the parent messages section. DANIEL BEADLE '18 contributed a large variety of images including the long exposure photos of campus used as section dividers. He also designed and laid out the remaining sections. ED PATRICK and MATT McLAUGHLIN from Balfour helped us navigate the wild world of yearbook publishing.

The book was built in Adobe InDesign CC v13.1 with the BalfourTools 2018 plugin. Body text is typeset in Helvetica Neue Thin and the header fonts are Copperplate (TT) Bold scaled to 125% and DanielScript. Sports scores are set in Bebas Neue and graduate names are printed in Times Roman. The endsheets are Rainbow soapstone, the graphic was printed at 60% using Sepia Brown #41. The cover was designed by STEPHEN WILLIAMS from *TheCoverArtist.com*.

This book, and many preceding it, would not have been possible without tireless work behind the scenes on the part of the Journalism and Communication Department Coordinator, KATHY THRONE. Visiting Kathy on the second floor of COPPEE HALL is a good way to stay sane while trying to put together a long book.

And in closing we offer our deepest thanks to LINDA LIPKO, the Department of Journalism and Communication's Publications Coordinator, who is retiring after advising the yearbook team and other publications for over 35 years. In the 1988 book Editor-in-Chief JOSEPH DE VITO thanked Linda by saying, "*You are as big a part of The 1988 Epitome as any editor. You made it easier to take on the position of editor and made it many times a pleasure*". The same could be said for The 2018 Epitome. This would not be half the book it is without all of your guidance and expertise. Thank you, Linda, for so many wonderful editions.
